2011 SUMMER READING LIST For Students Entering Grade 2

June 2011

Dear Parents/Guardians,

Summer is a time to relax and have fun. It is also a wonderful time to read together, sharing the wonder and excitement of a new book. Parents/guardians play an important role in a child's development of a love for reading.

This summer reading list includes a variety of authors and types of books. During the summer, please encourage your child to read five or more books from this list and record them on the attached sheet. These books can be found in the public library and the bookstores. If a particular title is not available, other titles by the same author may be used.

Our summer reading program is voluntary. However, this can be a pleasant and rewarding activity for your family.

I wish you and your family a safe and enjoyable summer vacation.

Sincerely,

Christine Tyrie
Assistant Superintendent
