

EARLY CHILDHOOD ALLIANCE

Uniting for young children.....the heart of our community
Framingham, MA

The **Early Childhood Alliance of Framingham (ECAF)** is here to assist you in the ABCs of the healthy growth and development of your young child. How?

We can help:

Determine if your child is learning and gaining skills with a **FREE screening**,
Share ideas to help you be your child's first teacher,
Connect you with programs and resources if your child or family needs extra support.

Do you have a baby or young child who you want to learn more about?

Is your child growing fast and changing every day?

Do you want information on early childhood programs and community resources?

Do you want more information on child development?

Are you looking for activities to do with your child for free?

If you answer **YES** to any of these questions, call Jane for more information about ECAF and the Help Me Grow Project at 508-782-6932. We are here for **YOU!**

ECAF is a Coordinated Family and Community Engagement program, a grant funded through the Massachusetts Department of Early Education and Care and administered through the Framingham Public Schools.
