

## Logging into your chromebook from home.

Open your Chromebook lid , you should see a screen similar to the one below.

Select your WiFi network at home , this one below is a home verizon WiFi , yours will be different.

If you see a 'lock' symbol next to your WiFi network id , you will need to type a password.

Once you are connected , you should see the Google chromebook login screen below.  
(notice it says “Managed by...” )

Then type the student’s email address ( ex [student12345@fpsed.org](mailto:student12345@fpsed.org) )
