## Having trouble in school? Need extra help?

### Academic Development Center (ADC)

Located in A107, the ADC gives students an opportunity to get help from another student. A great way to get organized and get support in your courses, the ADC needs to be scheduled by your school counselor.

### Opportunity to Improve (OTI)

Located in the ADC (A107), OTI runs after school Tuesday, Wednesday, and Thursday from 2:00 PM - 3:05 PM. This is a place for students to get extra help from other students. Computers, textbooks, and supplies are available for students to use!

Mr. Stewart is Coordinator of ADC and OTI ([cstewart@framingham.k12.ma.us](mailto:cstewart@framingham.k12.ma.us) /ext. 27741).

### Extra help after school with teachers

Many teachers stay after to give students extra help. Ask your teacher when they will be after school and plan a time to meet with them!

### Need a ride home after staying late?

Late buses are available Monday - Thursday at 4:00 PM. There are two buses (for south Framingham and for north Framingham) and you must sign up in the Main Office during the school day to reserve a spot on the bus.
