

Post-Secondary Planning Reflection and Goal Setting

Grade 12

- 1. TASKS: Below is a list of tasks that seniors typically engage in to help prepare for life after high school.**

Task List

- Decide what kind of post-secondary option is right for me
- Pass all my classes/make up any missing credits
- Find a part-time job to help with college bills
- Apply to college
- Create a resume
- Explore full time employment opportunities [if not going to college]
- Discuss realistic options [financially] with my family
- Complete all financial aid forms
- Apply for scholarships
- Create a pro-con list of my possible options [different colleges, different jobs, different branches of the military]
- Develop a budget for myself for next year
- Explore possible majors
- Explore possible extracurricular activities in my community or at the college/program I hope to attend

- 2. REFLECTION: Are you clear about what you will be doing next year?**

I will be:

Steps I have taken to make sure this plan will happen:

Have you been focused and conscientious about your post-secondary planning? Why or why not?
