

Too many children fall behind before they even set foot in a classroom and they struggle to catch up. We see a different path.

We help families find the path, set off upon it and succeed together.

The **ParentChild+ Program** is under the umbrella of the Early Childhood Alliance of Framingham, administered by the Framingham Public Schools (FPS), and is partially funded through the Coordinated Family and Community Engagement (CFCE) grant from the Massachusetts Department of Early Education and Care (EEC). The Early Childhood Alliance of Framingham offers: signature play, learn, and grow together groups, developmental screenings, family education, community events, linkages to local early education programs and resources.

Framingham, MA

ParentChild+
Equal Possibilities From The Start

A school readiness program for children 18-36 months old.

The Early Childhood Alliance of Framingham is funded through the Massachusetts Department of Early Education and Care Coordinated Family and Community Engagement grant, administered by the Framingham Public Schools, and kindly supported by community partners.

Helping young children learn through books and play at home!

WHO WE HELP

Families in Framingham with a child 16-36 months
We work together to ensure language isn't a barrier.

WHAT TO EXPECT

Throughout the 23 week school year, an Early Learning Specialist visits your family in the home and/or virtually and brings free educational toys and books for your child to keep.

Visits are 30 minutes long, twice a week, and can be scheduled at your convenience, day or early evening. This is a 2 year program, where together you will discover creative ways to read and play with your child and become actively involved in your child's education.

A WORLD WHERE EVERY CHILD SUCCEEDS

The **ParentChild+ Program** will help your family in your role as your child's first and most important teacher. Our Early Learning Specialists visit you in your home and/or virtually where together you will explore fun ways to help your child learn at home with free books and toys!

We envision a world where every child enters school ready to succeed because every parent has the knowledge, skills, and resources to build school readiness where it starts: the home

PROVEN OUTCOMES

Children in **ParentChild+ Program**:

- Score better on school readiness measures
- Score at or above the national average on reading and math tests
- Are more likely to graduate from high school
