## Budget Message from the Superintendent

As your Superintendent, it is with great enthusiasm that I present the FY20 school budget to you. Our team of school and district administrators, teachers, and support staff recognize that the funding required to provide the necessary teachers, support staff, and materials accounts for the most significant part of the City's spending, but we believe that our community also recognizes the value that a strong educational system adds when it comes to the desirability of our community.

With a new Fuller Middle School project underway, expansion of dual language programming that has begun to drive demand at Woodrow Wilson Elementary School (Portuguese), Brophy Elementary School (Spanish), Potter Road Elementary School (Portuguese), and Barbieri Elementary School (Spanish), and the addition of Grade 5 at King Elementary School, these are indeed exciting times to be associated with the educational renaissance that is taking place in the City of Framingham.

Our detailed Budget Book illustrates how our spending has been prioritized to focus on teacher retention and training, the equitable allocation of human and material resources, and strategic investments that tie back to our multi-year Plan, all of which aims to support children and their families through improved access to and desirability of all schools in our educational system. On behalf of the nearly 10,000 students who count on the support of their community to provide an education that affords them every opportunity to meet success in life, I thank you for your support of this budget proposal.

Very truly yours,

Robert A. Tremblay, Ed.D., Superintendent Framingham Public Schools

## Budget Message from the School Committee

April 5, 2019
To the City of Framingham:
In partnership with our Superintendent of Schools, Dr. Robert Tremblay, we submit to you a responsibly crafted and on time Fiscal Year 2020 budget proposal for the Framingham Public Schools. As a School Committee, we are responsible for exercising co-leadership with the Superintendent in the vision, planning, policy making, evaluation, and advocacy for the mission of continuous improvement of student achievement in the district. We are all committed to providing the highest quality education for all students and strive to do so while presenting a fiscally responsible budget for our community.

Fully aligned with the Framingham Public Schools Strategic Plan 2017-2020: Where Every Child Can and Will Reach High Levels of Achievement, School Improvement Plans at all individual schools, and state standards, this forward-looking budget creates a pathway to optimize student success.

We are seeking support from the Mayor and City Council of the proposed funding of $\$ 139,896,821$ for next year's Operating Budget. This funding will allow us to continue to build a strong foundation of high quality instruction with a fully aligned and engaging curriculum. This budget request is built upon the philosophy of investing in academic achievement, supporting employees, meeting the requirements of contractural obligations, establishing access and equity models, enhancing technology, continued streamlining of operations, creating opportunities for innovation, and data-driven decision making.

Our Superintendent has built a first rate leadership team in our school district. For the first time, the district built the budget from scratch, requiring that every resource and every staff position be defended by principals and departments. The organizational changes in the school system have been profound both on the instructional and financial fronts. We credit Dr. Tremblay and the administration for building this budget with a zero-based mentality and process that analyzed each expense line and each individual position to ensure that the number of staff in the budget aligned with class sizes at each school. As you can see in Dr. Tremblay's letter and what follows, this budget clearly expresses what we, as a district, value and how we need to invest to achieve the goals, action steps, metrics, and outcomes expressed in our Strategic Plan. This budget book is a new, thorough document reflecting all planned initiatives and is
the most complete and comprehensive budget planning document ever provided to the City by the school department.

Throughout our district we are so proud to have recent FY19 success stories showing a strong return on previous investments and reflections that the Strategic Plan is making tangible progress. This includes academic growth at Wilson Elementary School, new literacy and STEAM efforts, a student led ecolab at the high school, voter approval to proceed with the construction of a new Fuller Middle School, award winning drama and robotics programs, expanded dual language programming to include Portuguese Two-Way, new social emotional supports, a district-wide fourth-grade field trip to the Boston Symphony Orchestra, and too many individual achievements by students, recent graduates, and staff to mention!

With any budget comes the need to plan for year-to-year drivers. This fiscal year, we have carefully planned for projected increases in enrollment (including a new Grade 5 at King Elementary School), Dual Language expansion, gifted and talented program investments, added instructional time in all elementary schools, and, moreover, increased social, emotional, and behavioral health initiatives. We have met our contractual obligations by investing in personnel to support student achievement and professional development. This coming fiscal year is unique as it is part of a new series of six collective, multi-year, bargaining contracts. Investing in and supporting staff while extending their workload and hours in order to benefit our students directly is a priority of this budget and requires an additional one-time investment to meet our contractual obligations.

At the same time, this request does not fully meet the realistic need our large, complex school district requires. Fiscal realities are the main reason why this request is not larger. The real need from the Superintendent's zero-based budget process found that the district needs an additional \$10 million beyond our request. This is why we strongly support statewide efforts to address the foundation budget formula and fully utilizing Chapter 70 funding for education as intended by the legislature, allowing this district to move closer to providing all students with the education to which they are entitled. In recent years Framingham's Chapter 70 funding from the state has been diverted to property tax relief. While that may have helped meet the City's affordable housing goals, Chapter 70 funds are not intended for affordable housing relief; rather, they are intended for investments to tangibly improve the schools. At a time when our leadership and strategic planning efforts are intentional and robust, and the metrics show recent investments are making impacts, now is the optimal time to invest in our schools. We believe that the community is strongly supportive of investment in the schools and fully understand the direct correlation between a strong school system and the future of their children, the growth of their property values and the city's growing reputation. We believe also that strong schools encourage new businesses to locate in Framingham and could help solve the current problem with eroding commercial property values. Votes in favor of the Fuller project in December was unprecedented and greatly encourages us to believe that we have unprecedented community support for investing in real classroom improvements which are long overdue.

The budget was also developed with transparency in mind, with public forums, meetings, and web-based communications from the fall of 2018 to the present. In full compliance with Article VI of the City Charter, the School Committee held a public hearing on the budget on March 20, 2019 and were encouraged by having three times more participants than the previous year.

We are grateful to Mayor Spicer for her collaboration with us in developing this budget as she also serves as a member of the School Committee. The School Committee appreciates the time and due diligence the Mayor and then the City Council will spend in reviewing and deliberating on the FY20 Budget for the Framingham Public Schools. Framingham Public Schools staff are enthusiastic and willing partners who remain ready to appear before the Mayor and City Council as we seek final authorization to enable the continuation of this important work and allow the residents from across our City to benefit from our collective investments.

Sincerely,

Adam Freudberg
Gloria Pascual
Tracey Bryant
Chair
Vice Chair Clerk

Scott Wadland

## Mission of the District and Core Beliefs

The mission of the Framingham Public Schools is to educate each student to learn and live productively as a critically-thinking, responsible citizen in a multicultural, democratic society by providing academically challenging instructional programs taught by highly-qualified staff and supported by comprehensive services in partnership with our entire community. We envision a school district in which every child is engaged as an active learner in high-quality educational experiences and is supported, at their level, to ensure growth over time. We believe that with effective effort, time, and practice, all of our students can and will reach high levels of achievement and demonstrate college and career readiness as a result of their course of study in the Framingham Public Schools.

Our city is enriched and strengthened by its diverse cultural heritage and multinational population. Within our classrooms and neighborhoods, and on our stages and athletic fields, we want learning to be relevant and connected to developing our students into value-centered citizens who are able to navigate a complex and inequitable world. We aim to address these inequities-including racism, socio-economic status and language barriers - to create an environment in which every child can and will succeed. We want our students to feel safe taking academic risks while mindfully respecting diversity of opinions. To do so, we must foster supportive and collaborative partnerships between families, the community, and the school district so that every child reaches a high level of achievement. The foundation of our work is collaboration, mutual respect, and high expectations, where all educators are reflective of their practice and feel supported as they continually adjust instruction to improve student performance.

We are committed to providing a safe and welcoming learning environment in order to increase achievement and access for all students irrespective of their immigration status, national origin, ethnicity, race, religion, sexual orientation, sex and gender identity, socioeconomic status, disability status, and/or beliefs. We are committed to hardening our facilities through ongoing security improvements and empowering our students and staff to be proactive in the face of crisis. Our preparedness in this area will set the stage for an increased focus on learning and teaching. We will continue to monitor enrollment trends and forecast school building needs as we work together with City officials to prioritize capital needs so that we always maintain a long-sighted view of the educational needs of the Framingham Public Schools.

We strive to afford all Framingham students the opportunity to learn in an educational environment where the diversity of our students is reflected in our professional staff. We are committed to respecting human differences and ensuring accountability of actions in an environment that provides needed resources to support the social-emotional, physical, and mental health needs of our students so that they are ready, willing, and able to engage as learners in the Framingham Public Schools. The Framingham Public Schools strives to adapt instruction to meet the learning and developmental needs of all students, including the gifted, through appropriately challenging, high quality, standards-based instruction. In our efforts to foster an entrepreneurial mindset among students, customize learning experiences and opportunities, and nurture equitable and inclusive learning environments in our schools, we are committed to ensuring the availability of opportunities that engender equally high outcomes for every learner based on individual needs - our vision of personalized learning aimed at addressing achievement and opportunity gaps.

## FPS Core Beliefs

1. Learning is the central purpose of schools
2. Human differences are to be respected
3. Collegiality and professionalism characterize the school community
4. Individuals are responsible for their behavior

## Framingham Public Schools Strategic Plan 2017-2020 Executive Summary

The Framingham Public Schools Strategic Plan: 2017-2020 (Strategic Plan) is framed by four standards that align directly with the educator evaluation standards developed by the Massachusetts Department of Elementary \& Secondary Education (DESE). Driven by theories of action within each standard, the Strategic Plan strives to be a practical resource tool to guide individual school improvement planning and the development of a responsible, focused budget that is built upon clearly articulated investments aimed at meeting the needs of Framingham students.

## Standards

Standard I: Curriculum, Planning \& Assessment
Standard II: Teaching All Students
Standard III: Family and Community Engagement
Standard IV: Professional Culture

It stands to reason that if we develop a common understanding of high quality instruction, including standards-based content knowledge in core content areas, then students will have more equitable access to rigorous and engaging standards-based instruction to increase student achievement. The creation of a system and culture of data-based assessment, including analysis, reflection and feedback, will enable educators in the Framingham Public Schools to target effectively the individual needs of students and purposefully adjust instructional practices accordingly.

## Standard I: Curriculum, Planning \& Assessment - High Leverage Goals

1. Develop a shared understanding of high quality instruction, including content and instructional strategies, by all staff and executed in all classrooms and instructional settings
2. Create a system and culture of consistent and accurate assessment, data analysis, reflection and feedback

- Review, Update and Implement Curriculum for All Content Areas at All Grade Levels
- Increase Opportunities for Collaboration
- Professional Development Opportunities for Administrators around Instructional Leadership
- Create and Implement Common Formative Assessments for All Grade Levels and Content Areas;
- Use Data from Common Assessments to Drive Instruction.

If we promote academic achievement and social and emotional growth for all students, then we are underscoring and making real the central mission of the Framingham Public Schools. By delivering targeted supports and interventions using a data-driven approach, then students will receive differentiated instruction aligned with individual needs to optimize their success. If there is an emphasis on rigor and excellence
in all aspects of our educational system, then we are establishing appropriately challenging expectations for all students with the expectation that all students can and will reach high levels of achievement.

## Standard II: Teaching All Students - High Leverage Goals

1. Promote academic achievement and social and emotional growth for all students
2. Deliver targeted supports and interventions based on the analysis of data and identification of student-specific need
3. Support a culture of rigor and excellence for all students in all settings

- Develop and Implement Social and Emotional Plan for Academic Growth and Achievement
- Create and Implement a Professional Development Plan for All Staff on the Social and Emotional Needs of Students
- Review and Revise District's Multi-Tiered System of Support (MTSS) Framework
- Employ a Systematic Use of Appropriate Data Sources for Both Academic and NonAcademic Needs
- Evaluate and Improve Structures for Student Interventions
- Develop and Implement Plan to Support Teachers in the Use and Consistent Tracking of Data Surrounding the Implementation of Interventions
- Develop and Execute Plan to Increase Understanding of the Growth Mindset and StudentCentered Instruction
- Expand Use of Rubrics and Criteria for Success Across District
- Expand Opportunities for Bilingualism and Biliteracy
- Strengthen Commitment to Science, Technology, Engineering, Arts, and Mathematics (STEAM) Across the District

Learning takes place everywhere, not just in the classroom. By partnering with families and members of the community, we will maximize opportunities to educate the children in our care.

## Standard III: Family and Community Engagement - High Leverage Goals

1. Foster community partnerships and support, engage, and collaborate with every family in the educational mission of the Framingham
Public Schools
2. Foster business partnerships that align with the mission of the Framingham Public Schools to build a career ladder system for students to make the ideal of college and career readiness tangible
3. Reconceptualize the longstanding $K-12$ educational model by articulating a Pre-K-16 educational continuum where students and families are afforded the opportunity of expanded and affordable early childhood and post-secondary educational opportunities.

Standard III: Family and Community Engagement - Strategies

- Strengthen Family and Community Partnerships
- Improve Communication with Stakeholders and Families
- Increase Adult Learning Opportunities
- Develop and Expand Early Childhood Programming
- Develop and Expand Post-Secondary Educational Opportunities

All of this work ahead of us is accomplished best in a safe and collaborative professional culture where our students and staff feel supported and valued in their work and where they feel connected to one another.

## Standard IV: Professional Culture - High Leverage Goals

1. Create and nurture a collegial, collaborative, and professional culture among teachers that supports the district's focus on increasing student achievement
2. Establish hiring practices that diversify school and district staff to reflect the student population of the Framingham Public Schools

- Create a Culture of Safety and Security Throughout the District
- Create a Culture of Shared Responsibility for Student Learning
- Implement Professional Learning Communities Throughout the District
- Identify and Support "Homegrown Teacher" Programs
- Address and Modify Recruitment and Hiring Practice
- Revise New Teacher Induction and Mentor Program

## FY20 Budget - Executive Summary

The Framingham Public Schools Fiscal Year 2020 (FY20) Budget is designed to be reciprocal with the Framingham Public Schools Strategic Plan: 2017-2020 and aligned with individual school improvement plans. Each individual school improvement plan is framed by four standards that align directly with the educator evaluation standards developed by the Massachusetts Department of Elementary \& Secondary Education (DESE). The Strategic Plan strives to be a practical resource tool to guide individual school improvement planning and the development of a responsible, focused budget that is built upon clearly articulated investments aimed at meeting the needs of all Framingham students. The budget while driven by the Strategic plan strives to ensure access and equity across the District by incorporating a zero-based mindset.

FY20 Proposed Budget - $\mathbf{\$ 1 3 9 , 0 9 6 , 8 2 1}$ Increase of $\mathbf{\$ 6 , 0 7 8 , 8 7 2}$ or $4.57 \%$
The proposed FY2O budget is projected to serve over 9,000 students in one preschool, nine elementary schools, three middle schools, one alternative high school, and one high school. The proposed budget is $\$ 139,096,821$ which equates to a $\$ 6,078,872$ or $4.57 \%$ increase over the FY19 budget of $\$ 133,017,949$. For reference on past budget increases, previous fiscal year's budget increases were as follows:
FY19 Operating Budget: $\mathbf{\$ 1 3 3 , 0 1 7 , 9 4 9}$. Increase of $\$ 5,702,478$ or $4.48 \%$
FY18 Operating Budget: $\$ 127,315,471$. Increase of $\$ 4,764,781$ or $3.89 \%$
FY17 Operating Budget: $\$ 122,550,690$. Increase of $\$ 6,818,737$ or $5.89 \%$
FY16 Operating Budget: $\$ 115,731,953$. Increase of $\$ 6,363,152$ or $5.82 \%$
FY15 Operating Budget: $\mathbf{\$ 1 0 9 , 3 6 8 , 8 0 1}$. Increase of $\mathbf{\$ 7 , 2 5 3 , 3 7 4}$ or $7.10 \%$
FY14 Operating Budget: $\$ 102,115,427$. Increase of $\$ 5,515,397$ or $5.71 \%$
FY13 Operating Budget: $\$ 96,600,030$. Increase of $\$ 5,279,687$ or $5.78 \%$
FY12 Operating Budget: $\mathbf{\$ 9 1 , 3 2 0 , 3 4 3}$. Increase of \$2,624,374 or 2.96\%
FY11 Operating Budget: $\$ 88,695,969$. Increase of $\$ 2,449,140$ or $2.84 \%$
FY10 Operating Budget: $\mathbf{\$ 8 6 , 0 3 1 , 0 6 4}$. Decrease of $\$ 1,315,765$ or $-1.5 \%$

The FY20 proposed budget consists of $\$ 102,316,520$ in salaries, $\$ 4,497,401$ in additional salaries (overtime, stipends, substitutes, etc.), $\$ 30,856,899$ in operational expenses and new salaries totalling $\$ 1,426,001$. The budget follows the Strategic Plan closely while moving the District further towards excellence and equity for all students. The following charts show the FY2O proposed budget in summary form, the total budget by responsibility center and new position requests.

FY20 Budget Summary

|  | FY20 PROPOSED | FY19 ACTUAL | \$ INCREASE | \% INCREASE | NET FTE INCREASE |
| :---: | :---: | :---: | :---: | :---: | :---: |
| SALARIES* | 103,742,521 | 98,308,569 | 5,433,952 | 4.08\% | 18.6 |
| ADDITIONAL SALARIES | 4,497,401 | 4,020,575 | 476,826 | 0.36\% |  |
| EXPENSES | 30,856,899 | 30,688,805 | 168,094 | 0.13\% |  |
| TOTALS | 139,096,821 | 133,017,949 | 6,078,872 | 4.57\% | 18.6 |

*The above FY20 Proposed SALARIES amount consists of both Level Salaries $(\$ 102,316,520)$ and new position requests $(\$ 1,426,001)$

## Collaborative Effort

The FY20 proposed budget is a thorough and collaborative effort that included school principals, department heads, central office administrators and other important Framingham Public School personnel. The budget development schedule is included in this section. The budget development group focused on the needs of all Framingham students and moving the District forward. The effort to build the FY20 budget began with a zero-based budget model mentality that analyzed each expense line and each individual position to ensure that the number of staff in the budget aligned with class sizes at each school. Many hours were invested in the development of the FY2O budget and the team has put forth a responsible, forward-looking plan that is aimed at driving student achievement through strategic investments as well as personnel and program efficiencies. The initial FY20 budget request at the start of the budget process, based on the needs from all departments and all schools started at $12.69 \%$ or $\$ 16,884,139$ in requests. A strong effort was put forth to analyze each new position request and only new positions that directly impacted new scheduling, increase in enrollment and compliance were moved forward to the FY20 budget request. The team understood the City revenue conversation and again, put forth a reasonable budget to be submitted to the Mayor.

## Budget Drivers

1. Collective Bargaining Contracts - The major budget driver of most, if not all School District budgets, is personnel costs and each Union's respective negotiated, collectively bargained contracts drive those costs. Contracts include "cost of living adjustments (COLA)" and salary schedules that allow for personnel to "step" up the salary schedule at the completion of each fiscal year. The following list provides the COLA's for all Unions in the Framingham Public Schools that are either ratified or assumptions based on ongoing negotiations:
Unit A: 3.5 \%
Unit B: $1.5 \%$
Unit C: 2.0\%
Unit $\mathrm{N}: \mathrm{n} / \mathrm{a}$
Unit P: Increase varies based on individual contracts
Unit S: 2.0\%
Unit T: 2.0\%
Unit V: Increase varies based on individual contracts
2. Federal and State Grant Funding - Assumes level funding for all major Federal and State grants. Private grants are not assumed in this proposed budget and will be managed without an effect on the operating budget.
3. Student Transportation - An increase of $1.3 \%$ based on year four of a five year contract with the current vendor. An increase of one large school bus is included in this FY20 proposed budget based the addition of a grade at King Elementary. The total regular day bus costs for FY20 are $\$ 3,566,009$. Collection of bus fees at a cost of $\$ 250$ per pass paid for by families is proposed as a total to offset the operating budget by $\$ 300,000$.
4. Special Education Tuition and Circuit Breaker Reimbursement - Projected 70\% reimbursement of net claims for a total reimbursement of $\$ 5,042,481$ to be used to offset the FY20 operating budget. An additional \$1,750,000 from Circuit Breaker reserves carried over from Fiscal Year 2019 will offset the operating cost for out of district tuitions.
5. Buildings \& Grounds and Utilities - Permit fees collected and deposited into the facilities revolving account for the use of School buildings in the amount of $\$ 150,000$ will be used to offset the operating budget. The Buildings and Grounds FY20 budget supports the maintenance of all buildings and utility costs to the District. Maintenance cost requests for FY20 are approximately $\$ 1.9$ million and include but are not limited to, equipment repair, service contracts, supplies, equipment and vehicle maintenance. Utility costs reach approximately $\$ 2,325,000$ and include electric costs, natural gas costs and telephone service costs.

## Initiatives and Investments

1. King School Grade $\mathbf{5}$ addition - King Elementary School will become a Kindergarten thru fifth grade school for the 2019-2020 school year. The addition of fifth grade classroom teachers, support staff, supplies and materials is included in the FY20 proposed budget.
2. Wilson Elementary School - FY20 requests for additional positions includes an IB Coordinator position at Wilson Elementary as needed for IB Certification. The requested position is related to compliance for certification.
3. Bilingual Dual Language Expansion - The District is requesting an investment in dual language through increases to translation services, curriculum planning and the Phonics program. Increases in professional development, assessments and dual language memberships are also included in the FY20 request.
4. Gifted and Talented Investment - An investment into the Gifted and Talented Department is included in the FY20 request. Operating expenses have increased by $168.17 \%$ to \$20,512 and new position requests for this Department include an additional 0.7 FTE teaching positions and a 0.5 FTE screener for total FTE increase of 1.2.

## Efficiencies

1. Zero based budgeting - As described in previous sections, both expense budget requests and salary budget requests are based on a zero based mindset. The intent and idea is to not simply give a percent increase to the previous year's budget but to start from scratch and identify the need.
2. Special Education Transportation - A change in the District's transportation vendor for out of district students will show a significant savings of approximately $\$ 500,000$ when compared to the proposed costs with current vendor for FY20.
3. Bulk Purchasing - During the FY19 budget, budgets were moved out of individual schools and into each department. Through the shift in budgeting, Departments are able to
purchase materials, supplies, equipment in bulk instead of each individual The District procures materials and supplies through the The Education Collaborative Cooperative Purchasing Program. The District also participates in programs that provide District's with competitive pricing such as WB Mason, Staples and Home Depot.
4. Class Size Analysis - Class sizes across the District were analyzed to make sure class sizes directly and appropriately correlated with assigned personnel to each class. At the elementary level shifts were made to support enrollment changes from one grade level to another within and across buildings. At the secondary level there were no reductions to be made following this process but instead changed the way principals schedule classes. All secondary principals are now using Aspen X2 software to generate teacher and student schedules to ensure maximum efficiency.
5. Instructional Materials - To allow for access and equity across the District, FY20 instructional supply requests for all K-5 schools are calculated using the algorithm below. Grades 6-12 instructional supply requests are based on need and do not always result in an increase to the budget. A school by school comparison is also included in this section.
((\# of Classroom teachers x \$500) + (\# of Special Education teachers + \# of Bilingual Teachers) x \$250) + (\# of support personnel $\mathbf{x} \$ 100$ ) ) Instructional Supply Budget Line

|  | FY19 | FY20 | Increase |
| ---: | ---: | ---: | ---: |
| FRAMINGHAM HIGH SCHOOL | 73,400 | 90,855 | 17,455 |

| STAPLETON ELEMENTARY SCHOOL | 12,500 | 14,650 | 2,150 |
| WILSON ELEMENTARY SCHOOL | 19,111 | 19,250 | 139 |
| TOTALS | $\mathbf{2 3 9 , 7 4 8}$ | $\mathbf{2 9 1 , 9 5 5}$ | $\mathbf{5 2 , 2 0 7}$ |
| FY19 | FY20 | Increase |  |

6. Contracted Services - Included in the FY20 budget request are funds for a number of contracted services including but not limited to professional development, Health and Wellness partnerships, Human Resources recruitment, postage, shredding and managed services.
7. $\mathbf{1}$ to $\mathbf{1}$ Chromebook Pilot Program at King Elementary School - A take home pilot program is included in the FY2O budget request which will allow students in grade 5 at
the King Elementary to take home a chromebook. This initial investment of approximately $\$ 50,000$ will hopefully lead to a larger scale of take home programs in future fiscal years. The program will assist in the expansion of language offerings and is considered by the District to be a partnership with the City Council.

## Overview by Responsibility Center

As described in the Executive Summary, the FY20 Budget Proposal aims to maintain excellence across the District even as enrollment grows and funding tightens. The budget proposal maintains current staffing and programming to allow all students every opportunity to grow and flourish. An overview by responsibility center of the District's priorities and initiatives is provided below. The following section provides both a narrative snapshot and budget snapshot (FY19 vs FY20) for each responsibility center.

## Superintendent's Office

The Office of the Superintendent leads the District according to the Strategic Plan and strives to meet the needs of all Framingham Students. The Superintendent has streamlined the organization to be fiscally responsible and to maximize Districtwide efficiency.

The Superintendent spends most of his mornings at each of our schools. He meets with Administrators, Principals and staff. He is in constant communication with his Senior Leadership Team and is always just a phone call away. The administrative tasks of the office include preparation and management of daily calendars; meets with Senior Leaders and Administrative Council on a weekly, bi-weekly and monthly basis; prepares agendas and materials for district meetings; preparation of the annual School Calendar; coordinate student transfers, student enrollments, and verification of school record data for legal matters; resolves parent concerns; meets with the Mayor on a bi-monthly basis; coordinates various reports to DESE; issues Work Permits; prepares and distributes Grapevine notices; acts as the Public Records Access Officer for the district; provides accurate and timely information to other District and City departments, personnel, students and the public as needed.

Superintendent's FY20 Budget Request: \$423,828

| FY19 Expenses | \$46,500 |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 580,691$ |
| FY19 Total | $\$ 627,191$ |
|  |  |
| FY20 Expenses | $\$ 62,748$ |
| FY20 Additional Salaries | $\$ 0$ |
| FY20 Salaries | $\$ 361,080$ |
| FY20 Total | $\$ 423,828$ |
|  |  |
| FY19 vs FY20 Decrease | $-\$ 203,363$ |

Office of the Assistant Superintendent for Equity, Diversity and Community Development
The Office for Equity, Diversity, and Community Development (EDCD) advances the Framingham Public Schools commitment to equity, diversity and community engagement by working to ensure a safe education and work environment for all. It champions and values the diversity of our district and works to
eliminate bias and discrimination from impeding success for all. It recognizes the crucial role families and community partners play in supporting our work. EDCD will work with community and business partners to develop and align resources aimed at eliminating barriers and expanding learning access for all students. EDCD is a realignment of existing roles within multiple departments with a newly enhanced focus on equity, diversity and inclusion. To fully develop and align with district initiatives, EDCD will engage in a transparent, environmental analysis and action plan with community partners to layout the work of the Office over the next 2-3 years. The budget put forth by EDCD reflects an intention to establish the basic infrastructure of the office while also allowing for the completion of the equity audit and the inclusion of student, families in staff in an authentic, intentional planning process. Our goal is to develop initiatives that will increase culturally responsive teaching, expand individual capacity to engage in diversity and inclusion discussions, disrupt the legacy of systemic racism and create a school culture that is proactively responsive to the needs of students, families, staff and our greater Framingham community.

## Office Materials

- $\quad \$ 2,000$ is requested for diversity training materials to be used as part of district investigations into hate and discrimination.
- $\$ 4,000$ is requested in printing materials to allow for the development and printing of materials that promote equity and inclusion, clarify to students, staff and family the process for requesting an investigation and additional marketing materials that promote diversity and inclusion efforts.
- $\$ 7,500$ in general office supplies.

Diversity Initiatives

- $\$ 10,000$ is requested to support the launch of student and staff Affinity Groups. Affinity Groups are a group of students or staff linked by a common purpose, ideology, or interest. Affinity Groups play a vital role in ensuring an inclusive environment where all are valued, included, and empowered to succeed.
- $\quad \$ 14,000$ is requested for Equity Ambassadors. This is a new initiative that will launch in FY20 geared at developing a cohort of district staff who will receive ongoing training in inclusion. Each school would have a paid staff member serve as an Equity Ambassador working in partnership with the Assistant Superintendent of Equity and the cohort fellows to promote equity initiatives, communicate rising concerns, and serve as an in-house resource to students and staff.
- $\$ 10,000$ to support an an application for an AmeriCorps fellow to support the developmental work of EDCD. AmeriCorps is a national service program where youth committed to serving their country through community work receive a modest stipend while committing to a 2 year fellowship in a school or community organization. The individual works a full-time and upon completion receives an educational award that can be used towards college loans or pursuing a degree.
- $\$ 3,000$ to fund emergency support. A number of investigations have required the assistance of an additional temporary aide to provide support while the investigation is underway. These funds are crucial to maintaining the integrity of the investigations and ensuring appropriate responsiveness to family concerns.
- $\$ 34,000$ in contractual services. These funds will be used to contract diversity professionals to expand the districts offerings of professional development with a focus on diversity and inclusion.
- $\$ 2,000$ to cover the Assistant Superintendent of EDCD dues to M.A.S.S.
- $\$ 25,000$ to support professional development for administrators, conferences and associated travel cost including mileage for staff to/from conferences.

Family Engagement

- $\$ 40,000$ to fund 5th Fridays, a new district initiative launched in FY19 to promote family engagement. The funds would be used to increase the number of events hosted for families on 5th Fridays.
- $\$ 30,000$ to fund part time parent organizers (liaisons) to assist in developing an expanded model of family engagement that focuses in on parent voice, parent rights and parent support. These two part time contracted personnel would work in partnership with EDCD and community partners to develop a new platform for family engagement in the district.

Assistant Superintendent FY20 Budget Request: \$410,838

| FY19 Expenses | $\$ 31,000$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 1,000$ |
| FY19 Salaries | $\$ 373,022$ |
| FY19 Total | $\$ 405,022$ |
|  | $\$ 181,500$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 229,338$ |
| FY20 Salaries | $\$ 410,838$ |
| FY20 Total |  |
|  | $\$ 5,816$ |
| FY19 vs FY20 Increase |  |

## Bilingual Department

The number of students who are learning English as an additional language (ESL) and require direct instruction, has increased at twice the rate as the general education population within the last three years in Massachusetts. According to the Massachusetts Department of Elementary and Secondary Education "Over the 11-year period from 2005-06 to 2015-17, K-12 English learner (EL) enrollment increased nearly 67 percent..." Title VI of the Civil Rights Act of 1974 requires districts to take appropriate steps to address the language barriers that prevent ELs from accessing curriculum. Further, No Child Left Behind Act (NCLB) of 2001 and its successor,

## English Learners' Enrollment Trends 2014-2019

SY2018: 62\% of MA ELs are enrolled in 15 districts

the Every Student Succeeds Act (ESSA) each address specific requirements for supporting ELs' access to education.

Due to the increase in enrollment of English learners since 2014, Framingham Public Schools is listed among the 15 largest districts in MA enrolling ELs. Promoting the academic achievement of linguistically diverse students continues to be a priority for the Bilingual Department. Nearly 44\% of all FPS students speak another language in addition to English at home, and 24\% of FPS students are identified as English Learners and require instructional support in their acquisition of English.

Today, these students speak 45 different languages with the two largest groups speaking Spanish (mostly Central American countries) and Brazilian Portuguese. As per federal and state laws, initial identification of ELs is a legal mandate; the District must assess students who speak a language other than English at home upon registration. Since July 1, 2018 the Language Assessment Office has screened approximately 480 incoming students. One of the requests being made for FY 20 is for the language assessment testers to be funded out of the operational budget and not Title III (federal grant) as they are currently. Title III cannot fund these positions due to a supplanting situation.
The new Look Act, signed into law in November 2017, provides districts with more flexibility as to the types of language acquisition programs designed to meet the needs of English learners, and ensures accountability for timely and effective English language acquisition. Strengthening successful program models: Sheltered English Immersion, (SEI), Transitional Bilingual Education (TBE), and Two-Way (TW) and expanding new Dual
 asof hur 2017 Language (DL) programs in Spanish and Portuguese at Brophy,

Potter and Wilson is a priority for FY20. Starting with the 2019-2020 school year, 4 out of the 9 elementary schools will be offering DL programs. Additional funds in the expense budget are being requested for texts and materials in the native languages to support DL instruction.

$\left.$| District | Active English Learners, students in a dual language programs, |
| :--- | :---: | :---: |
| Enrollment: |  |
| February 8, 2019 students in years 1-4 of monitoring, post EL designation |  |$\quad$| Bilingual Dept. |
| :--- |
| oversight | \right\rvert\,

Our overarching goal is to ensure that our ELs have equal access to academics and extracurricular opportunities thus narrowing the achievement gap, meeting the recommended guidelines of direct service, and supporting the social and emotional needs of our students.

The following chart shows the languages spoken within the District and the category the language is placed in to correspond with the circle graph shown in this section:

| FY20 Total |  |
|  | $\$ 383,925$ |

## Teaching and Learning Department

The Office of Teaching and Learning is focused on providing equitable access to high quality instruction for all students. The department is responsible for all aspects of instruction, curriculum, assessment and professional development for grades pre-Kindergarten through 12. This oversight is linked to the growth and achievement of over 300 preschoolers, over 4,400 elementary students, over 1,800 middle school students and over 2,200 students at the high school. The Department is also responsible for the training and support of over 1,800 staff members within Framingham Public Schools. This support is provided in a wide array of areas that are aligned to the District Strategic Plan and includes curriculum, instruction and materials, assessment and analysis of data as well as professional development.

## Curriculum and Instruction

The District takes pride in the rich diversity of its student population. As stated in our 2017-2020 District Strategic Plan, "The Framingham Public Schools strives to adapt instruction to meet the learning and developmental needs of all students, including the gifted, through appropriately challenging, high quality, standards-based instruction. In our efforts to foster an entrepreneurial mindset among students, customize learning experiences and opportunities, and nurture equitable and inclusive learning environments in our schools, we are committed to ensuring the availability of opportunities that engender equally high outcomes for every learner based on individual needs - our vision of personalized learning
aimed at addressing achievement and opportunity gaps." This is the driver for all decisions made across the district, from the selection of curricular materials to the scheduling of staff.

The focus of the Office of Teaching and Learning is to provide consistent expectations and procedures for equitable and high-quality instruction for all students and monitor the implementation of these expectations and procedures. This includes conducting calibrated walkthroughs at Tier II and Tier III schools using a district-adopted observation tool, ensuring the alignment of district curriculum to the Massachusetts state frameworks, and identifying ways to improve access to this curriculum for all students by supporting teachers in differentiation and universal design for learning. To this end, the District has made considerable efforts in the last 18 months to communicate clear expectations for classroom instruction, establish instructional leadership teams at all schools, and develop a curriculum review process and 7 -year review cycle. By providing clear expectations, structures, and supports the review cycle serves as an opportunity to explore curriculum in regards to its ability to provide equity of access to all students with a targeted focus on ensuring that barriers are removed for students of color, those receiving special education services and those receiving services as an English Language Learner, gifted, and economically disadvantaged students. This also includes a dedicated and intentional investment in STEAM education across the district in coordination with the curriculum review cycle. Consequently, this budget includes funding to support STEAM (science, technology education, art, and math) curriculum specifically in coordination with the Fine and Performing Arts Department. The creation and implementation of consistent elementary and middle school schedules requires an investment in additional staff members to provide equitable experiences for students and opportunities for collaboration, co-planning, and professional learning communities centered upon student achievement.

## Assessment

The District has a clear purpose and system for reviewing state-level data and efficiently collecting district and school level assessment and outcome data. The District has worked to create an assessment profile for students that includes multiple sources of data including diagnostic, formative assessments, summative assessments, attendance, discipline and parent, and student surveys. This has included ongoing, regular conversations with District and school based leaders that provides a comprehensive picture of student, school, and District performance and focus on the analysis of these multiple sources of data. Now that these systems are in place, we are working on promoting and sustaining a culture of shared responsibility and accountability for assessing performance and taking actions that lead to improved outcomes for all students. This includes a focus on the achievement and growth of all students with a targeted focus on ensuring that barriers are removed for students of color, those receiving special education services, those receiving services as an EL, as well as gifted and economically disadvantaged students that take into account the many variables that can impact student achievement and growth. To this end, the District has been able to utilize the iReady diagnostic and instructional software as a calibration tool in grades K-8. The District also invested in Imagine Learning to provide the same supports for ELs while addressing the specific needs of this population.

Listed below is the progress that has been made as a District in grades 1-8 in Reading. Tier I (as shown in green) outlines the number of students performing on or above grade level. This number increase from $35 \%$ of students in the Fall of 2018 to $48 \%$ of students in the Winter of 2019. Students will be assessed again at the end of the year. Tier III students (as shown in red) outlines the number of student performing two or more grade levels below. This number decreased from 32\% of students in the Fall of 2018 to 23\% of students in the Winter of 2019. Students will be assessed again at the end of the year.

## Overall Placement

Window 2 1-8

- At Risk for Tier 3

- Tier 2

37\% (From 43\%)

- Tier 1

47\% (From 30\%)

Window 1 1-8

It should be noted that Kindergarten is assessed using this tool twice a year and therefore progress cannot yet be noted.

## Professional Development

The Office of Teaching and Learning is responsible for providing all professional development related to curriculum, instruction and assessment. Professional development is provided through the district's professional development days, mentoring, extension courses, online courses, off-site conferences, and on-site workshops. Some of this training is supported through the Title IIA grant, but a significant portion of the district's professional development is funded by the operating budget. Due to the size of the district's staff and wide variety of specialty areas, the district's need for professional development always exceeds our ability to provide this support in terms of time and funding. Therefore, the Office and Teaching and Learning must take into account curriculum revision and purchases, software initiatives, revision of curriculum to align to updated standards and our strategy for calibrating expectations and procedures across the District in terms of walkthroughs, evaluation and supervision, and best practices when creating the professional development calendar and related opportunities each fiscal year. With this in mind, the Office of Teaching and Learning continues to make decisions about our professional development offerings based on District goals and available funds.

Teaching and Learning FY20 Budget Request: \$2,035,960

## Health and Wellness Department

## Mission \& Overarching Goals

The Department of Health and Wellness promotes Framingham Public Schools' academic mission by supporting the social, emotional, cognitive, and physical growth and development of our diverse student population and the greater school community. More specifically, the Department seeks to:

- Promote the health and well-being of students by providing quality nursing and related services;
- Strengthen the systems and structures of school-based student support teams to assure utilization of effective strategies/interventions to address social, emotional, and behavioral needs of students;
- Ensure a District-wide shared understanding of meeting the social-emotional and behavioral needs of all and to heighten awareness of SEB as a Tier I, universal support for all students; and
- Align fully SEB with other District initiatives and assure SEB integration as a core strand of professional development for staff in the district.

## *Positions are grant funded

**4 social workers dedicated to specialized programs at FHS to Phoenix; 1 to Bridge; 1 to RFL ***1 Psychologist dedicated to the Bridge program

## Budget Priorities

An integrated District-wide plan and comprehensive approach is required to effectively address the increasingly complex social, emotional, behavioral, and physical needs of our student population.

- Personnel: Recruiting and retaining highly skilled support personnel, and in some instances, hiring additional staff with social, emotional, and behavioral expertise;
- Professional Development: Necessary to assure the competence of all support staff/educators to provide appropriate strategies, interventions, and supports (Responsive Classroom and Restorative Practices training is grant funded); and
- Supplies \& Equipment: General medical supplies and equipment for school health rooms; academic and other testing protocols.

## Grants

- Early Childhood Social Emotional Learning Grant - MetroWest Health Foundation. Funding to support the implementation of SEB programming at the elementary level (3 years).
- Wayside Youth and Family Support Network, Walsh Middle School- MetroWest Health Foundation.

Providing a 0.5 FTE clinician at Walsh to provide individual and group counseling through third party billing through December 2019.

- Systems for Student Success Action Planning Initiative - MA Department of Elementary and Secondary Education (DESE). Yearly competitive grant from DESE to provide technical support to implement programs focused on improving school climate and providing social, emotional, and behavioral supports and learning, District-wide (currently in year 3).

## Current Programs \& Initiatives

- Student Support Services: Professional support staff provides tiered intervention strategies to support students' social, emotional, and behavioral needs and growth and development.
- Social Emotional Mental Health (SEMH) Team: District Clinical Psychologist and BCBA use a consultation model to support school-based teams with students with significant social, emotional and/or mental health challenges.
- Positive Behavior Interventions Support (PBIS): District Coordinator assists building-based teams with the implementation of Tier 1 and 2, Pre-K-8.
- SEL Practices: Restorative Practices (RP) - All staff at Dunning Elementary and Fuller Middle Schools have been trained in RP; Responsive Classroom (RC) - Five elementary schools have begun staff training/adoption of $R C$, focusing on the relationship between academic success and social emotional learning; Mindfulness - Training provided to 220 staff in mindfulness practices; yoga practices integrated into classrooms across the District.
- Panorama Education: Annual survey measurement of school climate, student engagement, SEL skills; data used to inform programming at the school and district level; third survey administration February 2019.
- Alliance for Inclusion and Prevention (AIP): Technical assistance and PD for trauma sensitive practices.
- Safety Care: De-escalation and restraint training for staff, PreK-12.
- Section 504/Tutoring: District oversight of the Section 504 process and facilitation of the home/hospital tutoring program.
- Bridge for Resilient Youth in Transition (BRYT): Bridge Re-entry Program for students returning from mental health hospitalizations at FHS; technical assistance to explore programming at the Middle School level.
- School-based Health Center at Framingham High School: Edward M. Kennedy Health Center satellite site provides comprehensive medical services to enrolled students, including immunizations, physicals, sports physicals, and treatment of illnesses.
- Boston University Goldman School of Dental Medicine: Provides dental sealant program to FPS's third graders.

Health and Wellness FY20 Budget Request: \$1,119,574

| FY20 Salaries | $\$ 1,119,574$ |
| FY20 Total |  |
|  | $\$ 415,805$ |

## Human Resources Department

The Office of Human Resources is responsible for coordinating the recruitment, selection, appointment, and promotion of all district employees with the goal of maintaining a dynamic and efficient staff that are committed to providing outstanding educational programs. Diversity among teachers undoubtedly advances the academic achievement of students. Compliance obligations establish the baseline; as a District, Framingham Public Schools are committed to achieving, developing and maintaining a workforce reflective of the rich racial, linguistic, and cultural diversity of our students. Framingham Public Schools aims to teach our children, and ourselves, to be culturally proficient and inclusive in order to live, learn, and work together in a vibrant and diverse world. Our goal is to reflect the diverse community we serve and create a great place to work for everyone by embracing the individual skills, perspectives and experiences our people bring to the workplace and harnessing these for high performance and improved service delivery. We want our employees to feel included, valued and respected and have access to equal opportunities, which supports full participation at work. The Office of Human Resources is dedicated to the goal of building a culturally diverse and pluralistic faculty committed to teaching and working in a multicultural environment and seeks to retain the diverse talent in our workforce and support our people to maintain a long and productive working career.

The Office currently consists of an Assistant Superintendent for Human Resources, an Assistant Director of Human Resources, an HR Manager, three HR Generalists, and an Administrative Assistant. The team in the Office of Human Resources processes all the HR-related needs of the district, including compliance with state and federal regulations and compliance with contractual requirements. The Office processes all hires, terminations, leaves, salary changes, stipends, reimbursements, retirements, longevity payments, etc. In addition, it collaborates with all departments, offers support and guidance to supervisors with the supervision and evaluation, establishes hiring practices and procedures, ascertains faculty qualifications, listens to staff concerns and contractual grievance hearing, conducts investigations, negotiates contracts, maintains personnel files, creates job descriptions, collaborates with and acts as a conduit to Payroll, etc. We aspire to be a friendly customer-focused staff, and our goal is to meet the needs of each of our customers, the employees of Framingham Public Schools.

The trend in the Office has been to establish efficiencies through human resources information technology ("HRIS"). TalentEd is now used to keep personnel records and supervision and evaluation forms and documents as well as to hire employees. We are expanding the Frontline system through which we manage absences to keep accurate time for hourly employees and thereby diminish the liability of the District under the Fair Labor Standards Act.

Our budget for 2019-2020 continues to be mainly focused on the recruitment and retention of staff. Our foremost priority is to increase the diversity of our staff to ensure not only that our staff demographics echo those of our students but also to enrich and broaden each student's experience at Framingham Public Schools. As a result, we have requested additional funds to attend a greater number of recruitment fairs. We have also requested additional funds to join organizations that assist schools in the recruitment and retention of diverse teachers, administrators, and coaches. In addition, we have sought funds to provide training to our staff, including substitutes, in cultural proficiency. Budgeted legal costs have been shifted to this budget and are included in our request. We utilize several different firms for District legal matters and are as follows: Petrini \& Associates, P.C. (open meeting, policy review, payroll), Morgan, Brown \& Joy, LLP (employment, collective bargaining) and Benjamin \& White P.C. (Special Education and civil rights).

Human Resources FY20 Budget Request: \$2,998,485

| FY19 Expenses | \$156,724 |
| :--- | ---: |

| FY20 Total |  |
|  | $\mathbf{\$ 2 7 1 , 5 7 8}$ |

## School Committee

School Committee Policy, budget and hiring/supervision of the Superintendent are the three main functions of the School Committee. In the area of Policy, the School Committee reviews, revises or creates policies that support all stakeholders of Framingham Public Schools by engaging key members of the school community. This work is undertaken by the Policy Sub-Committee on an on-going basis. As a Committee, it needs to be aware of statutory changes, local, state and federal mandates and changes, to ensure its policies are up to-date. In the budget area, the School Committee works through its Finance Subcommittee to create, monitor and propose an operating budget to the Mayor for the school district. The School Committee works closely with the Framingham legislative delegation in advocating for more resources for Chapter 70 and Circuit Breaker funding as well as for bills that could improve the work of our District. Historically, the School Committee has been a strong advocate at the Massachusetts Association of School Committees in having many of their resolutions passed by the Delegate Assembly at the annual state convention. In the area of supervision/evaluation of the Superintendent, the School Committee establishes annual goals with the Superintendent and employs the standards by which his evaluation will be conducted. This is a public process that unfolds over the course of the year and provides a public conversation about the goals and objectives of the school District as contained in policy, the operating budget, and the evaluation of the Superintendent.

Notable School Committee milestones since the last budget cycle are approving central administration changes which rejuvenated our instructional leadership and hiring a new Executive Director of Finance \& Operations, which rejuvenated our financial leadership. We have also seen progress on multiple fronts supported by the subcommittee mechanism and those efforts will continue. One FY20 specific budgetary note is that the School Committee budget is substantially reduced compared to FY19. This is largely due to transfer of items out of the School Committee budget to other responsibility centers where they more naturally belong. That includes some legal expenditures which are always managed by Human Resources and some consulting expenditures which are always managed by Finance \& Operations.

Finally, one critical responsibility of the School Committee is to ensure that the annual budget is properly funded by the city. With that in mind, special attention has been paid by the School Committee to equitable allocation of Chapter 70 funding to the schools, and to vitally important communications with the Mayor, Council and community. These are unusually important for FY20, as it is the first budget produced by the schools, since we became a city, in which there has been ample time for the proper implementation of strategic planning directives, with both educational and financial goals plainly
communicated to both Mayor and Council, for the betterment of our students' education. Every attempt has been made to provide full information to the Mayor and Council as our budgetary planning evolved, including complete transparency on the union contracts negotiated, which received Mayoral approval

School Committee FY20 Budget Request: \$145,522

| FY19 Expenses | $\$ 294,675$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 48,500$ |
| FY19 Salaries | $\$ 60,000$ |
| FY19 Total | $\$ 403,175$ |
|  |  |
| FY20 Expenses | $\$ 35,822$ |
| FY20 Additional Salaries | $\$ 48,500$ |
| FY20 Salaries | $\$ 61,200$ |
| FY20 Total | $\$ 145,522$ |
|  |  |
| FY19 vs FY20 Decrease | $-\$ 257,653$ |

## Grants Department

The Grants Development Office (GDO) is responsible for developing process, procedures and providing operational support to ensure best practice grant management and compliance for the district. The GDO's goal is to develop and implement strategies for grants and partners funded resources for programs and services to promote student learning, teacher and curriculum development, and district capacity for teaching and learning innovation to improve its performance outcomes at all levels across the board. The Department ensures collaboration cross-functionally, with mutual accountability, a shared vision and responsibility with all partners, departments, programs, schools, District and community to provide support to improve students' achievement and close the achievement gap in a culture of equity and proficiency. GDO monitors, administers and implements over \$1.7 million in Title I funds to ensure the operation and compliance of the Title I Program according to Federal and State guidelines in accordance to ESSA. The GDO oversees programmatic and financial review of all grants within the District totaling over $\$ 6.5$ million respectfully (carry-over funds not inclusive).

The Grants Director also oversees the implementation of the Title I grant and programs. Title I, Part A is a federal program designed " $[t]$ o provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps." Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to states and school districts to meet the needs of educationally at-risk students. The goal of Title I is to provide extra instructional services, such as intervention and tutoring, and activities which support students identified as failing or at risk of failing state's challenging performance standards in mathematics, reading, and writing. Title I Program provides our students with extra educational assistance beyond the regular classroom.

Grants Department FY20 Budget Request: \$101,161

| FY19 Expenses | $\$ 3,800$ |
| :--- | ---: |

| FY20 Total |  |
|  | $\$ 4, \mathbf{3 1 1}$ |
| FY19 vs FY20 Increase |  |

## Business Operations Department

The Business Operations Department is responsible for maintaining accounting and financial recordkeeping for the District. The Department oversees Transportation, Grants, Food Services, Safety \& Security and Buildings \& Grounds. The staffing in the Business Operations Office includes the Executive Director of Finance and Operations, the Assistant Director of Finance, the Salary Accounts Manager, and four Accounts Payable Specialists.

The Business Office provides financial reports to all Responsibility Centers (RCs) and is responsible for recommending budget transfers, as needed, to the School Committee for approval consistent with School Committee Policy. The Office is also responsible for developing and distributing financial information to the School Committee's Finance Committee, and may also develop financial reports on various budget items as needed by the administration or the city.

The Business Office maintains close communications with the City's Finance Department to ensure the exchange of all financial information on a timely basis. The Office also coordinates with City auditors and other auditors (i.e., the Massachusetts Department of Education) to comply with the needs of these auditors. The Office works closely with the Office of Human Resources on the reconciliation of information on staffing and payroll to ensure that all financial reporting is current and accurate.

The Business Office’s significant budget items include the annual rental expenses for the Perini Building where School's Superintendent and other Administrators are located, copier leases District wide and costs to send Framingham students to other vocational/technical schools other than the local Technical School in Framingham. The Business Operations Department continues to work to streamline processes including procurement and reporting.

Business Operations FY20 Budget Request: \$2,796,668

| FY19 Expenses | $\$ 1,675,845$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 1,048,999$ |

|  | $\$ 1,837,496$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 959,171$ |
| FY20 Salaries | $\$ 2,796,668$ |
| FY20 Total |  |
|  | $\$ 71,824$ |
| FY19 vs FY20 Increase |  |

## Food Services Department

This Department does not rely on any District funding to operate; it relies on revenue soley generated by the Department and deposited into its revolving account as well as the receipt of state and federal funds under the School Lunch Program. In addition to providing a critical service to the students of the Framingham Public Schools, it also supports a number of feeding programs for the greater Framingham. The Department serves over one million meals, including breakfast and lunch to the Framingham Public Schools each year. In addition, the Food Services program offers summer food service programs at over twenty four locations, a majority of which are in Framingham. During this past Summer of 2018, over fifty-five thousand meals were served by the Department. The food service Department is in the final stages of introducing a new Breakfast After the Bell Program, where all late arrival students will still have access to Breakfast up to 10:00 am daily at two middle schools and four elementary schools. To qualify for universal breakfast, the school must have over $60 \%$ of its students qualify for free or reduced school meals.

The Department has made an effort to employ student labor as appropriate as a way to expose students to the work environment and to the special requirements in the production and handling of food. Indeed every summer, the Department hires students as "lead growers" for the garden at the high school, and they employ an additional nine students via the PSW works program to help with the Summer Food Services Program.

In the coming year, the Department will be introducing a hydroponic grow farm at the high school that will provide the Department with all the salad greens required for the district's lunch program. This grow lab will become integrated into the science curriculum at the high school and will be maintained completely by students. The high school also has installed new action stations including a ramen bowl station, a made-to-order pasta station and a rotisserie chicken station.

All of the Department initiatives are accomplished without any supplemental funding from the school District or from the City. The Department income is solely generated by extensive use of grant support and all the Federal and State feeding programs. The garden at the high school has drawn national attention as being one of the best examples in the K-12 environment. The leadership of the Department has been invited to speak at many local and national conferences on the success of the high school garden.

On the financial front, the Department has maintained the recommended DESE standard of three months operating funds in their revolving account. In addition, the Department has been audited both financially and programmatically and has received glowing reports in each instance.

## Buildings and Grounds Department

Framingham currently operates one pre-school (BLOCKS at Juniper Hill), nine elementary schools, three middle schools, an alternative high school program at Thayer Campus, and Framingham High School. Three of our schools were built in the 1950s and have not been renovated: King (1957), Juniper Hill (1959) and Fuller (1958). Both King and Juniper Hill have had some updating done, but Fuller is the one school that has reached the end of its useful life as a school having served the District first as Framingham South High School and more recently as Fuller Middle School. We are pleased to begin construction over the summer of 2019 on a new Fuller Middle School in partnership with the Massachusetts School Building Authority (MSBA).

The remaining schools have either had significant repairs done or additions added that have prolonged their useful life. The district has a 20-year Capital Plan for all of its schools and we will be guided by that plan as well as by the conditions that exist or emerge in our buildings. The district has been supported in its efforts to maintain and upgrade all of our buildings through the City's Capital Budget process. The Capital Budget for the schools has allowed the district to extend the useful life of our buildings as evidenced by the number of schools that are 50 years old or older that have not been renovated or added on to excluding modular. This year's Capital Budget request, as approved by the School Committee, continues our efforts to keep our buildings functional and sound.

The District reopened King Elementary School in 2014 in response to our growing district enrollment. The original plan was to grow the King School enrollment slowly due to its smaller size (24 classrooms). However, enrollment pressures forced a faster growth for King and the fifth grade will be added for FY20 making it a K-5 school.

At Framingham High School, enrollment $(2,249)$ pressures have caused the School to exceed its design capacity $(2,086)$ sooner than was projected. As a result, we are in the process of reviewing the building's current use of space to see if there are measures to maximize the use of existing space. The High School Administration is working with a consulting architect on this effort. Another growing problem at the High School has been the adequacy of parking. The School Department has added over 60 parking spaces to the High School. Parking lot fees charged to students as well as some insurance recovery funds were used for this project.

Buildings and Grounds FY20 Budget Request: \$9,120,507

| FY19 Expenses | $\$ 4,201,729$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 249,300$ |
| FY19 Salaries | $\$ 4,310,044$ |
| FY19 Total | $\$ 8,761,073$ |
|  | $\$ 4,221,702$ |
| FY20 Expenses | $\$ 364,500$ |
| FY20 Additional Salaries | $\$ 4,534,305$ |
| FY20 Salaries | $\$ 9,120,507$ |
| FY20 Total |  |
|  | $\$ 359,434$ |

## Transportation Department

The Framingham Public Schools Transportation Department operates seventy-five school buses on a daily basis, transporting approximately 6,500 students including students from St. Bridget's School and students from McAuliffe Charter School. In the coming year, the district will be adding one additional bus ( $\$ 68,000$ ) to accommodate the growth in enrollment at the King Elementary School as grade 5 is added to the building. The Transportation system is three-tiered (elementary, middle and high school) with 360 runs covering 3,400 live miles of roadways. The district services twenty-three schools including public, private and parochial schools per state law. Within the public school system, there are 3,000 elementary students, 1,400 middle school students and 1,300 high school students transported daily. Bus fees collected in FY19 are $\$ 313,750$, ( $\$ 300,000$ is budgeted to be used in FY20 subject to approval of this budget) all of which is used to offset the operating costs for the system. The major cost in this department is for the contract that has been awarded to Durham School Services for five years beginning in 2016. Staffing at the Transportation Department consists of a Director, an Assistant Director, two dispatchers, a secretary and inter-district mail delivery employee. The fleet consists of 75 buses, 7 spares with 29 of the 75 buses parked at CSX lot at a cost of $\$ 35,000$ per year to the District.

The department's routing software is scheduled for upgrades and the cost is included in the FY20 proposed budget. The upgrades include the Edutracker package, which allows parent access to the Edulog Parent Portal to view in real time, the location of their child's bus. Also included in the upgrade is a route data analysis to allow optimization for scheduling and routing buses. The district has expressed great interest in the expansion of late-bus transportation at all our schools. Currently the district does provide a minimum of after-school transportation for our middle schools that are made possible through a combination of district funding and a grant. In addition, there are two late-runs at the high school at a cost of approximately $\$ 10,000$. As the district seeks ways to increase access to late-runs, we will coordinate with the Out-of-School time program in order to maximize the availability of funds both in the operating budget as well as through grant resources.

Transportation FY20 Budget Request: \$6,338,371

| FY19 Expenses | $\$ 5,557,024$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 9,900$ |
| FY19 Salaries | $\$ 354,501$ |
| FY19 Total | $\$ 5,921,425$ |
|  | $\$ 5,987,357$ |
| FY20 Expenses | $\$ 10,000$ |
| FY20 Additional Salaries | $\$ 341,014$ |
| FY20 Salaries | $\$ 6,338,371$ |
| FY20 Total |  |
|  | $\$ 416,946$ |

## Technology Department

The Office of Technology is responsible for providing a technical foundation to support the District's Strategic Plan and maintain an advance learning environment of the 21 st century student and educator. The intent is to collaborate across the spectrum of students, staff and District administration to meet both instructional and administrative goals of teaching and learning Districtwide. Our focus is to provide seamless access to digital resources, to integrate technology into the curriculum of the Framingham Public School District, and to assist the learning community through efficient processes and training.

The Office of Technology oversees and supports technology across 17 sites, support 1,600 District staff members, 9,000 students, and many of the community and after-school programs. We provide a wide breadth of support for technical issues, security and networking, data and analytics, state reporting, digital curriculum support, and staff professional development. Over the past seven years, the Technology Department has benefited by a significant investment in technology funding from the City's support of the School Department's capital budget. The District has used this investment to enhance infrastructure including core networking, security and wireless access. Additionally, the District has increased the number of student learning devices in every school and well as enhanced teachers' digital tool kit.

In the FY19 budget, the District chose to consolidate all technology hardware expenses into the Office of Technology budget to be managed centrally. The technology hardware budget line has been developed using a Sustainability/Life Cycle Model included in Appendix A. The model offers the opportunity to better leverage timing, purchase power and equity across schools grade-levels and departments. This practice will continue in the 2019-2020 school year.

Technology FY20 Budget Request: \$2,760,314

| FY19 Expenses | $\$ 1,238,320$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 57,650$ |
| FY19 Salaries | $\$ 1,238,320$ |
| FY19 Total | $\$ 2,461,601$ |
|  | $\$ 1,370,423$ |
| FY20 Expenses | $\$ 53,200$ |
| FY20 Additional Salaries | $\$ 1,469,423$ |
| FY20 Salaries | $\mathbf{\$ 2 , 7 6 0 , 3 1 4}$ |
| FY20 Total |  |
|  | $\$ 298, \mathbf{7 1 3}$ |

## Special Education Department

Currently there are 2,090 students ( 1865 in-district and 225 out-of-district) receiving special education services, including therapy only, partial inclusion, full inclusion and substantially separate. In addition to services by special educators, we also provide speech and language therapy, occupational therapy, physical therapy, adaptive physical education, orientation and mobility, visual impairment support, applied behavior analyst support and audiological consultation.

## FY20 Budget Priorities

While the total percentage of special education students has remained the same, the complex social and emotional needs of our students continues to increase. Specifically, building leaders are seeing students at a much younger age, including as young as preschool age, exhibiting significant emotional dysregulation. This year the Health and Wellness Department developed the Social Emotional Mental Health district team (SEMH), including a psychologist and a BCBA. The team has been very successful in reducing some of the behaviors by observing students, meeting regularly with school based teams and by providing concrete tools and action plans for the school based teams to implement. In previous years, many of these cases would have risen to the level of needing an emergency special education placement in an out-of-district setting. Tuition and transportation costs for one out-of-district placement can range from $\$ 60,000-\$ 100,000$ and in some instances can be over $\$ 100,000$. We have seen a reduction this year in the emergency placements which is a direct connection to the effectiveness of the SEMH team. In reviewing the cases on which the SEMH team has been consulting, more than half of the students are already identified as having special education needs. Therefore, the Special Education Department is partnering with the Department of Health and Wellness and we are advocating for an expansion of the SEMH team to include a District Sped Interventionist. The school teams will benefit from the District Sped Interventionist who will demonstrate hands on strategies with the students. The Special Education Department currently has four floater aides who are used to support students with increased needs in the district. However, converting two of these floater aide positions to fund the District Sped Interventionist will have a larger impact on student success.

In review of our eighth grade student numbers in our substantially separate classrooms who are transitioning to the high school, our classroom for students with Intellectual Impairments (II) and Autism Spectrum Disorder (ASD) is increasing from eleven students to twenty two students next year at Framingham High School. In order to maintain compliance with teacher student ratios in our substantially separate classrooms, an additional classroom will need to be created with a special educator and an assistant teacher.

In addition, the Special Education Department at Framingham High School needs an additional special education teacher due to an increase in the total number of students with disabilities. This year, the high school started with more than forty additional special education students than the prior year. Many of
these students had previously attended Marion High School and others returned from Keefe Technical High School.

## Unpredictable Costs and Funding

There are many unpredictable costs in relation to out-of-district placements that typically impact the school budget, including move in students, reconstruction costs and private school cost of living adjustment (COLA) increases. While we still have those unpredictable costs, next year's budget is unique in that it shows a decrease in operational funds. Circuit Breaker funds both FY20 projections and FY19 carry over funds are proposed to bring down the operating budget costs.

- SY19 significant reduction of costs due to high tuition move-outs and program changes to less expensive placements (\$904,584);
- SY19 significant amount of age-outs (students turning 22) (\$1,805,991).

Special Education FY20 Budget Request: \$15,858,226

| FY19 Expenses | $\$ 14,828,346$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 647,000$ |
| FY19 Salaries | $\$ 1,874,646$ |
| FY19 Total | $\$ 17,349,992$ |
|  |  |
| FY20 Expenses | $\$ 13,490,596$ |
| FY20 Additional Salaries | $\$ 725,357$ |
| FY20 Salaries | $\$ 1,642,273$ |
| FY20 Total | $\$ 15,858,226$ |
|  |  |
| FY19 vs FY20 Decrease* | $\mathbf{- \$ 1 , 4 9 1 , 7 6 6}$ |

*Special Education operating costs have been shifted to the District's Circuit Breaker account to offset the operating budget. The chart above shows a significant decrease in operating costs from FY19 to FY20 but with Circuit Breaker funds included in the budget, the Special Education overall budget is close to level funded.

## Community Resource Department

The Department of Community Resource Development (CRD) provides Framingham Public School students the opportunity for the whole student to be engaged before, during and after school through Out of School Time Programs and community engagement. The Department's responsible for managing all out-of-school time (OST) programs and many community partnerships. Since 2013, the Department has grown from 1 program at Woodrow Wilson to ten, and three more slated for Fall 2019. CRD is committed to
 extending the school day fun for students during vacation weeks, some holidays, and summer. Due to the increase in offerings, the Department continues to service an increased number of students as shown to the side.

It has been a busy year for CRD! The Department has grown as it continues to increase program offerings, number of students served, and community partnerships. We look forward to the FY20 school year when we will take on three new Explorers Sites at BLOCKS, McCarthy, and Stapleton, as
well as adding December vacation week programming. Explorers continues to be the Elementary OST program that provides multi-faceted programming like Coding, 3D printing, Mindfulness, Brain time and more. All of these expansions and enhancements are fully funded by fees collected, grants, and community partnerships.

At the secondary level, CRD will be increasing the Nightlife programming (launching in Spring of 2019), managing the high school summer school program, and providing continued oversight of Resiliency for Life (RFL). RFL was awarded \$100,000 through a state earmark to provide high quality OST programming for students of RFL. This funding provided support for after school and summer programming for high school and middle school students. The intention was to provide additional resources to those middle school students in need of additional social and emotional supports. As we all know, the transition from 8th to 9th grade is an extremely important and often delicate time for all students. With the state earmark, CRD is seeking to support these stipends to preserve this important resource for the District's most vulnerable population.

As part of the District Strategic Plan, CRD is piloting Flyers by Night (FBN), a continuing education program at the High School. With extensive market and field research, FBN is being designed to increase access to affordable, relevant, and potentially career-igniting classes for Framingham community members. CRD has visited and learned from existing continuing education programs across Massachusetts and found one commonality: when done correctly, adult education programs can be extremely profitable and provide the community with additional education and entertaining choices for a low cost. In developing our three year plan, it is evident that building a brand and positive reputation within the community will take time. By requesting funding for a Program Coordinator at Framingham High School, we hope to have a dedicated staff member lay the foundation for a potentially lucrative endeavor. CRD anticipates that as Flyers by Night takes off, the profits will pay for the position, and much more in the future. We are requesting an increase of the FHS Nightlife Program Coordinator from 0.5 FTE to 1.0 FTE (total of $\$ 24,500$ ). In order for the Program To succeed truly, it is essential for the position to be full time. It is our vision and goal that in the very near future that this position will be sustained by the fees collected.

CRD additionally facilitates many community partnerships for the District and schools, our partners range from higher education institutions, municipal offices, corporate sponsors, and some local banks. CRD leverages fees collected, grants and community partnerships to provide equity and access for all students. However, there are many additional costs, such as administration, transportation, and custodians, that are often not covered by grants and sponsors. These expenses at bare minimum must be covered by the district in order to establish a foundation to expand programs and exhibit the districts commitment to OSTprogramming. Since last year the Department has increased by over five programs providing programming to an additional 1000 students.

## CRD oversees the following programs:

| Program | General Information |
| :--- | :--- |
| Explorers Before | Currently: Barbieri, Brophy, King, Woodrow Wilson |
| and After School | FY 20: BLOCKS, McCarthy, Stapleton <br> Consists of curriculum, mindfulness, project-based, clubs and more! <br> Fee based, scholarships provided and vouchers accepted. |

| Vacation Weeks | Currently: February and April <br> FY 20: December Holiday break <br> Open to all elementary school students - 1 location District-wide. <br> Fee based, scholarships provided and vouchers accepted. |
| :---: | :---: |
| Summer Scene | Currently: Art, Club Exitos (two-way Spanish) Sports, STEM, Theatre Company Open to all elementary school students. <br> Fee based, scholarships provided and vouchers accepted. |
| R.I.S.E | Summer Elementary Academic Support Program in partnership with Framingham State University and Bilingual Department. <br> Services 200 students (program exhibited 82\% students success). <br> Students registered by referral only. <br> \$25,000 funded by operating, additional funding from FSU, Bilingual (Title III), and CRD. |
| Cameron, Fuller, and Walsh After School | Between all schools, students are able to select out of 100 clubs offerings per school year. Open to all middle school students. <br> Cameron is currently funded by Stipend additional salaries and CRD Revolving. We will be applying for DESE 21st Century Community Learning Center (21CCLC) in Spring of 2019. <br> Fuller is in year one of a two year DESE Quality Enhancement Grant, totaling \$50,000 over two years. We will be applying for DESE 21CCLC in Spring of 2019. <br> Walsh is in year two of a three-year DESE 21st CCLC grant, funding totaling in \$450,000 over three years. <br> Transportation, grid stipends funded by operating. |
| Middle School Summer Programs | Partnership program with Access TV Framingham (4 weeks). <br> Framingham State University- McAuliffe Challenger Center (2 weeks). <br> Discoverer's Service Learning (2 weeks). <br> Intro to Middle School (2 weeks). <br> Majority grant funded, Partial transportation funded by operating. |
| Resiliency for Life | Middle School: Cameron (30 students), Fuller (30 students) \& Walsh (30 students) - meets $2 x$ after school for homework + missing classwork support and case management. Parent engagement through weekly phone calls, meeting and events. Referrals made to FHS RFL program. <br> High School: 30 students, ranging from 9-12th grade, meet 2 x a week after school for homework + missing classwork support and parent engagement through phone calls, meetings and events. Works with FSU's College Planning Center to do essay writing, college applications, FASFA and search for scholarships. Includes a 2 week summer program. Has a Friends of RFL Board (501c3) that can be used to fundraise in partnership with FPS. <br> District pays for 1 FHS RFL stipend - remainder covered by state earmark ( 9 middle school advisors, 1 FHS tutor, contract with CPC and 2 week summer program with transportation). |
| High School After School | Stipend Clubs, over 30 offerings for High School students and RFL after school with transportation home, Monday-Thursday. |

|  | *Includes The 84 Chapter that will be doing research on vaping. |
| :--- | :--- |
| Funded by operating. |  |

Community Resource Department FY20 Budget Request: \$651,853

| FY19 Expenses | $\$ 182,800$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 136,000$ |
| FY19 Salaries | $\$ 175,146$ |
| FY19 Total | $\$ 493,946$ |
|  | $\$ 161,080$ |
| FY20 Expenses | $\$ 264,918$ |
| FY20 Additional Salaries | $\$ 225,855$ |
| FY20 Salaries | $\$ 651,853$ |
| FY20 Total |  |
|  | $\$ 157,907$ |

## Adult ESL Department

Framingham Adult ESL Plus was started by a group of Framingham Town Meeting members in 1984, and since then, the program has served over 25,000 students. The program operates as part of the Framingham Public Schools but is primarily grant-funded, with the majority of funds coming from the MA Department of Education. (FPS funds represent approximately $11 \%$ of the total program budget). 759 students are currently enrolled in the program with an additional 84 students in volunteer-led Prep Classes. Students come from over 48 countries and speak 24 different languages. Close to 300 students are parents or caretakers of FPS students.
The program is one of the largest Adult ESL program in the state, and has built a strong reputation through its performance and service to the community. Program administrators currently participate in 14 different boards, community partnerships, and professional development groups.

There are nine morning ESL classes, 25 evening ESL classes, four evening High School Equivalency classes, and classes that teach students Citizenship Preparation, Computer Skills, and Job Skills. This program is significantly supported through a Department of Elementary and Secondary Education grant ( $\$ 913,470$ ), but also through its own fundraising efforts. In FY $2019,21 \%$ of all students are in seats paid for by outside fundraising, and an additional $10 \%$ are in classes

| Fiscal Year | Total Enrollment |
| :---: | :---: |
| 2019 | 929 |
| 2018 | 873 |
| 2017 | 844 | taught by volunteers.

With the help of public and private funding, the program has grown significantly over the years. However, the demand is still tremendous. The current waiting list for a space in class is over 700 students.

Adult ESL Department FY20 Budget Request: \$125,455

| FY19 Expenses | $\$ 0$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 121,612$ |
| FY19 Total | $\mathbf{\$ 1 2 1 , 6 1 2}$ |
|  | $\$ 0$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 125,455$ |
| FY20 Salaries | $\mathbf{\$ 1 2 5 , 4 5 5}$ |
| FY20 Total |  |
|  | $\mathbf{\$ 3 , 8 4 3}$ |

## Physical Education Department

The Physical Education Department is to educate minds, develop healthy bodies, promote positive attitudes towards fitness, physical activity and sports skills. The Department has developed a Peer Observation matrix, that has been vetted by the Office of Teaching and Learning that allows everyone in the Department one professional day to visit and observe colleagues in other buildings. In addition, the department is working with middle school principals to review schedules with the goal of having a consistent schedule that is equitable for all students. It is expected that elementary schedules would follow this effort. The department recently completed an updating of the K-5 PE curriculum and is working on reorganizing and rewriting the grade 6-8 PE and health curriculums. The Physical Education Department has made significant strides and will continue to do so through this coming school year. The Department, through collaboration with the Business Operations Department, has streamlined the supply ordering process, learned and implemented Munis and has established a basis of needs in terms of supplies and programming for K-8.

Physical Education FY20 Budget Request: $\mathbf{\$ 5 5 , 1 3 0}$

| FY19 Expenses | $\$ 34,930$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 0$ |
| FY19 Total | $\$ \mathbf{3 4 , 9 3 0}$ |
|  | $\$ 38,630$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 16,500$ |
| FY20 Salaries | $\$ 55, \mathbf{1 3 0}$ |
| FY20 Total |  |
|  | $\mathbf{\$ 2 0 , 2 0 0}$ |
| FY19 vs FY20 Increase |  |

## Athletics Department

Athletics in Framingham has a rich and storied tradition and is likely the most publicly recognized department in the district. Our athletic teams are a great representation of the richness of diversity in Framingham and our athletes represent our City on a daily basis throughout the state. For many of our students, athletics is the motivating factor in better attendance, improved behavior, higher grades, and greater overall participation in their school community. Framingham is a well-recognized sports community, and many of our teams are recognized as perennial challengers for league and statewide accomplishments.

The Department has three full time employees that manage and support roughly 125 part time coaches and 3 other ancillary part time staff members. Athletics works in close coordination with Human Resources, Business Operations, Buildings and Grounds, FHS Administration and Department Heads, and Special Education. This year was the inaugural season of our new Inclusive Basketball Team which was a huge success.. We currently have 33 varsity sport offerings with every sport having either sub-varsity or being "no cut" allowing for unlimited participation. We are currently investigating options for adding both girls and boys rugby for next season.

## Core Responsibilities:

- Process registrations for roughly 1500 students through the course of the school year;
- Manage and support nearly 1800 individual interscholastic and middle school competitions through the course of the school year;
- Manage social media accounts and website detailing the daily events of athletic department;
- Manage and maintain calendar database for all sports;
- Arrange transportation for between 600-800 away events;
- Manage aspects as they relate to Bay State Conference and our responsibilities within our league;
- Create a presence in our statewide association and ensure that all MIAA rules and regulations are being followed;
- Provide that all state laws and mandates such as: AED locations, concussion protocols, Coaches

Education, CPR Certifications, among others are being followed and addressed; and

- Promote athletics and improvement of facilities throughout the City.

Athletic Department FY20 Budget Request: \$1,052,393

| FY19 Expenses | $\$ 425,033$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 380,000$ |
| FY19 Salaries | $\$ 257,748$ |
| FY19 Total | $\$ 1,062,781$ |
|  | $\$ 361,085$ |
| FY20 Expenses | $\$ 427,800$ |
| FY20 Additional Salaries | $\$ 263,508$ |
| FY20 Salaries | $\$ 1,052, \mathbf{3 9 3}$ |
| FY20 Total |  |
|  | $\$ \mathbf{1 0}, \mathbf{3 8 8}$ |
| FY19 vs FY20 Increase |  |

## Sage (Gifted and Talented) Department

Two exciting and important initiatives of the Sage department for next year are universal screening of all first graders district wide as well as increased opportunities for teachers to participate in relevant professional development.

The Sage budget expense requests related to screening are necessary to ensure equitable identification and support for gifted and talented students in Framingham. Research has shown that doing universal screening (screening all first graders across the district) ensures equitable identification of all learners, including the underrepresented populations such as English language learners and children of color. In order to do this screening process, testing materials and staffing to conduct and score the assessments are greatly needed. Additionally, in order to service the identified students as well as support the classroom teachers in an effort to increase the rigor and enrichment opportunities for all students, additional staffing is needed. At Barbieri, the number of identified students is much greater than other elementary schools. Additionally, the Sage teacher successfully works with many teachers to provide extensions and enrichment. However, there is not enough time in her schedule to provide for all requests or needs.

The Sage Department's Review Proposal plans for a full time Sage teacher at all elementary schools in the future. Through the universal screening process, the numbers of identified students will begin to
increase. Therefore teachers will need more time for pull-out classes. Additionally, having more time in a building will provide the opportunity for Sage teachers to reach far more students through integration into the classroom setting. As mentioned above, this will increase the rigor and enrichment opportunities for a much larger number of students both school and district wide. This is why I have asked for full-time support at the three turn-around schools.

Another area of need for the Sage department is the opportunity to receive appropriate and relevant professional development. The education of gifted and talented children is not often part of a typical teacher training program. Therefore, professional development opportunities are essential for the Sage teachers. Budgeting for the opportunity for all Sage teachers to take a Learner's Edge course will allow for necessary professional growth and the development of a deeper understanding of gifted and talented pedagogy. Teachers will also gain insight into additional ways to meet the unique needs of this population.

Gifted and Talented FY20 Budget Request: \$27,512

| FY19 Expenses | \$7,649 |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 5,500$ |
| FY19 Total | $\$ 13,149$ |
|  | $\$ 20,512$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 7,000$ |
| FY20 Salaries | $\mathbf{\$ 2 7 , 5 1 2}$ |
| FY20 Total |  |
|  | $\mathbf{\$ 1 4 , 3 6 3}$ |

## Parent Information Center

The Office of the Parent Information Center (PIC) is the first office that families see when registering a student at Framingham Public Schools. The office is comprised of seven staff members: the Director of Family Support Programs (bilingual), Office Manager/McKinney-Vento Homeless Liaison (bilingual), Executive Assistant/Registrar (bilingual), Bus Fee Coordinator/Registrar, two Registrars/Secretaries (bilingual) and a Trilingual (Spanish \& Portuguese) Secretary.
Responsibilities:

- Registration and School Placements for grades Kindergarten - 12:
- 743 current registrations from 07/02/18-02/07/2019
- Kindergarten class of 2019-2020: 554 pre-registrations received by 02/07/2019
- Elementary and Middle Schools Enrollment Reports and Projections
- In-District Transfer Requests (average of 90 requests)
- Transportation Requests \& Bus passes: 3,040 bus passes issued for Grades $6-12,885$ checks/money orders deposited and online payments processed
- Re-Activations (for returning students)
- McKinney-Vento Homeless Designation \& State Reporting:
- 437 students total
- 403 FPS students - 70 FPS students being transported by FPS
- 34 students transported by other districts - cost sharing.
- Track change of Language \& Special Education Programs and student withdrawals
- Assist families with Bus Transportation online sign-up
- Notary service for residency affidavit: 122 families received this service from 07/01/18 to 02/07/19
- Change of Address for elementary students in the summer
- Diverse Parent Concerns
- Calls range from 600 per month to 1860 in high season (August 2018)
- 672 Free \& Reduced lunch applications distributed for new registrations from 07/02/18 to 02/18/19

## New Initiatives:

Registration Gateway- Online Student Registration System: PIC is now using a new online registration system called Registration Gateway. Registration Gateway is the preferred vendor for Aspen, and data flows to Aspen once a file is sealed by a PIC registrar, making the registrations more efficient with fewer chances for error.
Registration Gateway- Kindergarten School Choice Lottery system: By July 2019, PIC will have its own Kindergarten School Choice Lottery module. This module will allow Kindergarten lottery to take place with the click of a button instead of having all PIC staff members involved in this process which has always being done by hand with at least five staff members involved. Kindergarten lottery results will be done in minutes instead of days, making the process faster.

Parent Information Center FY20 Budget Request: \$501,195

| FY19 Expenses | $\$ 49,950$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 10,023$ |
| FY19 Salaries | $\$ 454,047$ |

|  | $\$ 55,950$ |
| FY20 Expenses | $\$ 10,223$ |
| FY20 Additional Salaries | $\$ 435,022$ |
| FY20 Salaries | $\$ 501,195$ |
| FY20 Total |  |
|  | $\mathbf{\$ 1 2 , 8 2 5}$ |
| FY19 vs FY20 Decrease |  |

## Fine Arts Department

The Fine and Performing Arts in the Framingham Public Schools is a jewel in the crown of our educational programming for our kids. Framingham has shown that it values the arts as a part of a comprehensive education. Our theatre program, our instrumental music program, our brand new dance program and our visual arts programs are some of the best in the state. The theatre program is used as an exemplar in other communities.

The request this year shows a small increase in our operating budget. In a continued effort to provide equity in supplies, materials and curriculum this increase includes the subscription cost for three of our elementary schools for Quaver Music. Quaver is an online music curriculum resource which is the foundation of our K-5 curriculum. This subscription and the accompanying technology insures that all students in the district are receiving the same high quality music experience. The increase in the budget
of $\$ 19,484$ includes these three subscriptions which total $\$ 22,050$. Without these renewals which happen every six years, the Fine Arts budget would actually have been reduced by \$2,566.00.

## Highlights:

- Equitable per student formula for elementary and middle school arts funding has provided a "like" arts experience for all students in Framingham
- As a result of cost center ordering we have saved between $30 \%$ and $50 \%$ in discounts from at least two of our biggest vendors. This savings allowed us to outfit every music classroom with "standard " equipment and to provide art supplies at a per student allowance which insured equity at all schools and relieved the PTO's from supporting curriculum related materials
- The String program is now at 3 elementary schools and 30 string instruments were purchased to start this program.
- 750 grade four students will attend the Boston Symphony Orchestra in March 2019
- Our dance program at Framingham High School is overenrolled after just one semester.
- An FHS student was selected for all state and was named first chair- viola- the best player in the state of Massachusetts
- Our Visual Arts students participated in Youth Art Month and the Globe Scholastic and were recognized with gold and silver keys in Photography and Visual Art.
- Ukuleles were introduced and purchased in grade four.
- Our grade five band program serves $70 \%$ of all grade five students in the district

## Safety and Security Department

The Director of Safety and Security's office primary goal is to provide a safe, secure, disruptive-free learning environment for all who attend Framingham Public Schools. The primary role of the Safety Security Director is to support students and staff with any safety-related issues, concerns, or problems. The Director provides a highly visible service by distributing information and assistance to the school community in order to sustain the integrity of Framingham Public Schools rules and regulations through necessary and appropriate enforcement actions. The office has established communication and coordination with local, state, and federal agencies with respect to safety - security planning and training.

## Core Responsibilities:

- Perform District-wide assessments to detect safety - security risks.
- Evaluate current procedures and practices relative to security and safety and suggest alternative methods for security operation improvement.
- Perform audits of security related performance and conduct physical surveys of lighting, security cameras, emergency communication system, including security equipment condition, communication, etc.
- Develop and Implement Emergency Response Planning
- Assist in preparation of Emergency Management and Contingency Planning with local authorities
- Implement Safety - Security Training for students, faculty and staff.
- Provide education on preventive measures related to school and community safety.
- Respond to Emergency Calls throughout the District.
- Proactively work with the City of Framingham Public Law Enforcement, Fire and other agencies as it relates to the Framingham Public Schools, FPS Offices of Building Grounds and Transportation's Safety - Security
- Assist in conducting investigations and preparing reports of conduct code violations, including Title IX reports, as well as safety related issues in coordination with the Assistant Superintendent for Human Resources and Assistant Superintendent for Equity, Diversity, and Community Engagement.
- Provide parking and traffic control recommendations when required or requested.

Safety and Security FY20 Budget Request: \$179,917

## Early Education

The Early Childhood Alliance of Framingham is dedicated to promoting and supporting the healthy growth and development of young children prenatal through age 8 by strengthening families and advocating for high quality learning experiences.

The Alliance is made up of a host of community agencies in partnership with the district with a focus on ensuring access to early learning experiences for children prenatal through age 8, school readiness, early childhood resources and professional development for early childhood educators

## What We Do

## Child/Caregiver Playgroups

- Play, Learn, and Grow Together - an hour spent building your child's social skills and language development through play, songs, and stories.
- Read Together - An opportunity to learn English through play and children's stories.
- Music \& Movement Together - a movement class experience to get you and your children moving, stretching and exercising.
- Let's Go to Kindergarten - a micro school readiness experience for 4 and 5 year olds who are without a full time preschool experience.
- Dads \& Donuts - a story time to meet other parents with young children held on the 1 st Saturday of the Month.
- All groups are for both child and parent/caregiver.

## Family Support \& Education

- Parent -Child Home Program - an early literacy home visitation program for families with children ages 18 months - 3 years old.
- Family Education "Passport to Parenting" Workshops - presented by a child development facilitator on topics such as child development, language \& literacy, transitioning to new school, etc. Child activity provided while parents attend workshop.
- "Hot Topic" Play, Learn \& Grow Together - a special group discussion time for parents while their child goes off to another room to engage in early learning activities.
- Help Me Grow Project - an opportunity to ask questions about how your child is growing and learning with a Help Me Grow educator. Everyone who participates will receive learning activities that you and your child can do together at home.
- Parents Helping Parents Support Groups - a place to talk about your parenting and family stresses with other parents and caregivers. Meetings held every Monday at 6:30 p.m. One in English and one in Portuguese. Childcare provided!

## Resource and Referrals

- Transition Support - connecting your family to early intervention, preschool, kindergarten, special education, and out-of-school time.
- KinderWait Entry - assistance in accessing financial assistance for child care
- Resource Guide for Early Childhood - inside this booklet you will find information on choosing child care, child care programs and preschools, preparing your child for Kindergarten, and helpful community resources

## Leadership Opportunities

- ECAF Leadership Council - Parents, community organization representatives, and early childhood educators meet to discuss program initiatives and set the direction for ECAF activities.
- Action Team Involvement - Members participate on defining tasks for specific program activities such as community outreach, volunteer recruitment, marketing, and fundraising.

The work is led by Jane DeHaven, our ECAF Coordinator and has been funded $100 \%$ by state and federal grants. As the district looks to expand access to early education, ECAF offers the perfect foundation to build off of.

Early Education FY20 Budget Request: \$8,064

## Library Media Department

The mission of the FPS Libraries is to provide equitable resources and opportunities to all members of the FPS community by supporting learners in their journey toward their unique passions, becoming critically thinking, responsible and literate citizens in order to "meet the information needs of their life and work." The FPS Libraries will modernize the print and digital library collections across the district in order to provide equitable access to all students, support content area instruction, and nurture a culture of independent reading, build a program that ensures every student attains the Massachusetts Digital Literacy Standards essential for college and career readiness, and build a library culture of independent, student-led inquiry.

| FY20 Salaries | $\$ 34,754$ |
| FY20 Total |  |
|  | $\$ 34,754$ |

## Media and Communications Department

The Media and Communications Office provides families, staff, and the wider Framingham community with transparent, helpful, inspiring, timely, and relevant information. This is in the form of District-to-home messaging, public-facing communication channels such as the Framingham Public Schools website and social media accounts, media relations, as well as, providing communications-related training opportunities for Teachers, Administration, and Staff.

In addition to supporting every department and school within Framingham Public Schools with planned and real-time communication requests, the Media and Communications Manager also seeks to pursue their own initiatives as it relates to adopting modern tools, managing the District's presence and reputation, increasing video content, building partnerships within the city, and showing thought leadership beyond our District boundaries.

There are necessary learning opportunities both sought and provided from the Communications Office. Opportunities to grow our knowledge base, expand into new capabilities, connect with other K-12 Communications professionals, and engage in communications-related conversations are paramount to ensuring that the Framingham Public School District is not living in a vacuum, but supporting, cultivating, and in some cases leading the charge for surrounding Districts. One-on-one support, PD for Secretaries, Teachers, and Administrators, and group training sessions have been provided as it relates to social media, website maintenance, and Blackboard Connect Ed.

The office and team of one has many documented accomplishments for less than one full year of being established. Some of these notable items include:

- General improvement in branding and user experience for public-facing Framingham Public Schools content
- Launched and saw significant growth across all social media channels, as well as, implemented Archive Social and necessary guidelines to provide the freedom to monitor the pages as needed.
- Website enhancements and oversight of Webmasters with improvements to be continued in the 2019-2020 school year
- Two successful Realtor Receptions to help shape the perception of Framingham Public Schools
- Facilitated and marketed the first-ever Back To School Family Picnic with hundreds of attendees and community partners
- Launched several opportunities to increase two-way communication and stakeholder feedback on topics like the 2019-2020 Calendar and the 15-minute day extension for the 2019-2020 SY, as well as, incorporated Staff and Family feedback gathered via email and social media.
- Hosted four unpaid High School interns to assist with project-based learning opportunities.
- Ongoing partnership with FEC-TV and Media and Production Teacher at FHS to increase video capabilities, including the successful creation of an FPS Transition to Kindergarten Video.
- Consistent and transparent promotion of the Fuller Middle School Building Project leading up to the December 11th vote.
- Created a District-wide process for capturing and tracking students' photo consent status
- Created a Webmaster workflow to provide assistance, training, and support opportunities and track website updates over time
- Documented first-ever Messaging Protocol to ensure the proper dissemination of information to the right people via the right channels, in the right order
- Wrote and managed translations for new templated messages for Blackboard Connect Ed deployments throughout the District as it relates to Early Releases, No School Days, Half-Days, etc.
- Launched Meltwater, a Media Monitoring tool that reported an Advertising Value Equivalent of $\$ 4.4 \mathrm{M}$ from March to December.

Looking ahead, Media and Communications will continue to share the Framingham Public Schools story. We've managed to tackle many of the areas uncovered by the 2015 Communications Task Force and can now add a special focus to the areas of Food Service and Transportation.

The Media and Communications Manager owns the following initiatives:

| Item | General Information |
| :--- | :--- |
| Website | Currently manages District website and works with Webmasters to update all school and <br> some department sites <br> FY 20: Updating website template to give the site a more modern look <br> FY 20: Increased oversight and reporting for Webmasters |
| School / District- <br> to-Home <br> Communication | Currently using Blackboard Connect Ed <br> FY 20: Upgrading to Blackboard Mass Notification System with increased capabilities. This <br> requires strong partnership with Technology and training for all users across the District <br> FY 21: Will look to expand two-way communication methods to make input and feedback <br> easier to provide |
| Social Media | Currently maintaining Facebook and Instagram most regularly <br> FY 20: Improve Instagram and YouTube |
| Media Relations | Currently seeing success with general outreach. Following an upcoming Media Reception, <br> this will increase and improve relationships. |
| Newsletters | Currently in the process of distributing accounts from a District-wide license of Smore. This <br> requires time and attention to ensure all School and Department leaders get access and <br> have the knowledge to build and distribute newsletters to their desired audiences. |
| Processes | FY 20 will be huge for the following guidelines and documented processes: <br> $\bullet$ <br> Using FY19 Survey Results to guide FY 20 Strategy |
| Communications SOPs <br> General Communications Plans (Int / Ext) <br> Crisis Communication Plan (In conjunction with Director of Safety and Security) <br> - Fuller Middle School Building Project Communication <br> Food Services and Transportation Communication Support |  |

## Media and Communications

Below is a timeline of future planning based on desired growth and expansion.

Media and Communications Department FY20 Budget Request: \$145,905

| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 0$ |
| FY19 Total | $\$ 0$ |
|  | $\$ 54,105$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 91,800$ |
| FY20 Salaries | $\$ 145,905$ |
| FY20 Total |  |
|  | $\$ 145,905$ |

## Framingham High School

Originally constructed in 1961 the Framingham North High School shared two wings of the building named the Winch Park Secondary School. In 1992 one single Framingham High School was created combining two high schools into one. The district moved the South High School students and faculty from Flagg Drive into the North High School at 115 A Street. Then in 2001 and through 2007, a major renovation and construction project was undertaken. Additions to the building added library, science wings and a mechanical room to the existing structure. The project ran over a year beyond the original completion date. The original contractor filed for bankruptcy and an insurance bonding company had to complete the last $5 \%$ of the construction project. As a result, As-built drawings and some equipment start-up data was not provided to the district as per job specifications.

The building contains 396,000 square feet of space and is situated on 44.35 acres of land. The grounds contain a synthetic football/soccer field, a field hockey field a tennis court, and multiple ball fields at the front of the school that is owned and maintained by the Parks and Recreation Department. The parking lot houses over 350 vehicle parking-stalls.

The building was designed on multiple levels with a two-story spread footprint and three enclosed courtyards. There are two elevators that comply with ADA, fire and building code requirements. Framingham High School has 90 full classrooms.

The building is equipped with two separate boiler rooms, two generator rooms and multiple mechanical rooms. Dual fuel gas fired boilers and water heaters, diesel fired generators and \#2 oil stored in an underground tank for firing boilers on oil in an emergency situation. Roof to air handlers and cooling provide cooling for half of the building. The other half is piped and has the ability to be expanded with cooling if a chiller and cooling tower is installed.

The parking lot has been expanded and sixty-five vehicle parking stalls have been added. The building is in good general condition, keeping in mind that the structure is 56 years of age. Framingham High School is listed as a qualified Massachusetts Emergency Management Agency (MEMA) shelter because underground fuel storage tanks provide for an independent fuel source for the back- up generators and boilers.

Framingham High School: 250.45 FTE, 2,249 Students FY20 Budget Request: \$19,741,372

| FY19 Expenses | $\$ 286,005$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 121,500$ |
| FY19 Salaries | $\$ 18,283,240$ |
| FY19 Total | $\$ \mathbf{1 8 , 6 9 0 , 7 4 5}$ |
|  | $\$ 318,000$ |
| FY20 Expenses | $\$ 73,938$ |
| FY20 Additional Salaries | $\$ 19,349,434$ |
| FY20 Salaries | $\$ 19,741,372$ |
| FY20 Total |  |
|  | $\$ 1,050,627$ |

## Thayer High School

Currently used as an alternative high school, the Eugene Thayer Campus was originally constructed in 1905 and was named the Lawrence Street Elementary School. Besides housing an elementary school, the building has seen many uses over its 105 -year life. It was home to school administration offices, youth coordination office, and from 1982 through 1994 the Visiting Nurses Association leased the building from the school department. In 1995 it became home to the alternative high school.

Located at 50 Lawrence Street, the building contains 10,800 square feet of space and is situated on roughly 2 acres of land. The grounds contain a parking lot that house 44 vehicle-parking stalls, but is need of repair and resurfacing.

The building was designed with two stories and a basement that houses the mechanical and boiler room. The building has 5 classrooms. There is a handicap chair lift that provides access to all levels in accordance with ADA requirements. The heating system was converted from oil to natural gas. One
new boiler and gas burner was installed in 2005. There is no emergency backup generator in the building. The office and classrooms are cooled via portable wall cooling units.

The exterior of the building was upgraded with roof repairs, new windows, new trim, gutters downspouts and minor landscaping as a capital improvement in 2008. The roof is slate tiles. The building is in fair condition. There are no major upgrades planned at this time.

Thayer High School: 10.60 FTE, 51 Students FY20 Budget Request: \$778,199

| FY19 Expenses | $\$ 5,300$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 724,194$ |
| FY19 Total | $\$ 729,494$ |
|  | $\$ 5,400$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 772,799$ |
| FY20 Salaries | $\$ 778,199$ |
| FY20 Total |  |
|  | $\$ 48,705$ |
| FY19 vs FY20 Increase |  |

## Cameron Middle School

The original Cameron Middle School was constructed in 1973 and was one of three school buildings built over a three year time period using a replicated design. Major reconstruction replacing over $80 \%$ of the existing structure took place and was completed in 2000. At the time of completion Cameron School was considered to be "state of the art" in design, technology and furnishings and continues to be a jewel of the community today. Located at 215 Elm Street, the building contains 114,000 square feet and is situated on 30.75 acres of land. The grounds contain a baseball field, a football field and a soccer field. There is no playground on site. The parking lot houses 88 vehicle-parking stalls.

The building was designed with a two-story classroom and administration wing and a renovated gymnasium wing along with a new cafe and auditorium. There is one elevator that complies with current ADA access, building and fire code requirements. Cameron has 33 full classrooms. The heating plant is natural gas fired with air handlers that supply a VAV, or variable air volume system and supplemental hydronic perimeter heat. The cooling system is a centrifugal chiller equipped with an exterior water-cooling tower. Although the heating and cooling systems provide for efficient climate control, they are costly to operate especially during the peak, or summer cooling season.

The building is equipped with an emergency backup generator, an acid neutralization plant that provides treatment for lab waste when required by science labs and a duplex sewage ejector system. The building is in very good general condition with all mechanical systems and general architectural furnishings in excellent condition.

Cameron Middle School: $\mathbf{8 9 . 9 0}$ FTE, 581 Students
FY20 Budget Request: $\$ 6,658,335$

| FY19 Expenses | $\$ 24,127$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 6,076,153$ |
| FY19 Total | $\$ 6, \mathbf{1 0 0 , 2 8 0}$ |
|  | $\$ 26,767$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 6,631,568$ |
| FY20 Salaries | $\$ 6,658, \mathbf{3 3 5}$ |
| FY20 Total |  |
|  | $\$ 558,055$ |
| FY19 vs FY20 Increase |  |

## Fuller Middle School

Constructed in 1958 as the Framingham High School, the building is currently used as Fuller Middle School. Fuller is also home to the City of Framingham Board of Health Department that occupies 5,000 square feet of building space. In addition, the Buildings and Grounds Department houses its operations and storage for vehicles and equipment occupying approximately 15,000 square feet of building space. There are several offices that occupy additional space such as the Adult ESL program (3,600 square feet) and the Parent Information Center ( 3,000 square feet).

Located at 31 Flagg Drive, the building contains 196,000 square feet and is situated on over 30 acres of combined property along with the Farley Middle School, currently occupied by the Massachusetts Bay Community College. Also shared with the college are the football/soccer fields as well as the baseball field and the adjoining parking area.

There is no playground on site. The Fuller School has roughly 150 parking stalls available for all of its occupants. The building was designed on one level with four classroom wings and two closed courtyards. Fuller has the capacity for over 50 full classrooms. The building was originally equipped with many skylights that were removed during roof replacement resulting in limited natural light throughout the main corridors. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2005. The building is not equipped with central cooling. There are several window units or split cooling systems in the administrative offices. The building is not equipped with an emergency backup generator. The current structure of the building is concrete masonry units with a gypsum deck roof; however, neither the roof nor the walls have any insulation and both are vulnerable to infiltration of water. The building was constructed on structural piles and caissons with a crawl space and a dirt floor beneath the entire building. This causes a musty odor at times within the building. Air quality testing was performed in 2007 when mold spore count, carbon dioxide, oxygen and carbon monoxide measured levels were reported to be within allowable limits. The structural concrete floor is suspended and is showing signs of wear. Some recent upgrades include: auditorium stage curtains and lighting; a new auditorium ceiling; a new handicap access ramp and an exterior brick wall replacement on the north face or rear of the building. The building is in poor condition and the roof is at the end of its useful life. The building also has structural issues where temporary shoring has been installed.

While the Fuller building has reached the end of its useful life, it remains safe for student occupancy and the district is closely monitoring the building to ensure that it continues to be safe for occupancy. Indoor air quality is always monitored, especially in those areas that have visible signs of water infiltration or other signs of deterioration. If an area of concern is identified, the district will relocate students and staff until the problem has been addressed. In 2015, the roof over the main classroom wing of the building (approximately $30 \%$ of the school's entire roof surface) was repaired by the manufacturer to extend its life expectancy until construction of the new building is completed. Furthermore, the district engaged a structural engineer to determine the integrity of the building's foundation and flooring. As a result, the district installed temporary structural supports in identified areas in 2016, primarily in the maintenance services garage where vehicles are stored. All of the building's mechanical systems are monitored, and the air handling system that ventilates the building has been set to run for extended periods of time to ensure the air in the building is satisfactory at all times. Many of these conditions have existed for some time at the Fuller building, and the district has responded appropriately to these challenges and will continue to do so as needed. Based on our experience and ongoing efforts, we are confident we can continue to maintain the Fuller building in a safe and secure manner until a new building is constructed and set to open before the 2022 school year.

Fuller Middle School: 89.60 FTE, 546 Students
FY20 Budget Request: $\mathbf{\$ 6 , 5 4 5 , 2 7 5}$

| FY19 Expenses | $\$ 22,869$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 6,104,711$ |
| FY19 Total | $\$ 6,127,580$ |
|  | $\$ 30,110$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 6,515,165$ |
| FY20 Salaries | $\$ 6,545,275$ |
| FY20 Total |  |
|  | $\$ 417,695$ |
| FY19 vs FY20 Increase |  |

## Walsh Middle School

Originally named the Frost Street Junior High School, the Walsh Middle School was constructed in 1969. Located at 301 Brook Street, the building contains 201,000 square feet of space and is situated on 22.46 acres of land. The grounds contain a baseball field, antiquated unused tennis courts and a soccer/lacrosse field. The parking lot houses 130 vehicle- parking stalls. The building was designed with two-stories. Walsh has four classroom wings, a central administration wing with an auditorium, gymnasium cafeteria and large kitchen to the rear of the building. There are two large enclosed courtyards. There is an elevator and handicap chair lift that complies with current ADA accessibility requirements. Walsh has the capacity for over 50 classrooms.

The roof was replaced in 2005 and has a 20-year life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2003. The building has a steam piping distribution system that is in need of constant service and repair. The building is not equipped with a central cooling system. There are several window unit or split cooling systems in the
administrative offices. A new emergency backup generator was installed in 2009. The building is in good condition. Some of the site paving should be considered for replacement in the near future.

Walsh Middle School: $\mathbf{1 1 2 . 2 0}$ FTE, 733 Students
FY20 Budget Request: \$8,753,373

| FY19 Expenses | $\$ 29,986$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 8,275,610$ |
| FY19 Total | $\$ 8,305,596$ |
|  | $\$ 29,900$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 8,723,473$ |
| FY20 Salaries | $\$ 8,753,373$ |
| FY20 Total |  |
|  | $\$ 447,777$ |
| FY19 vs FY20 Increase |  |

## Barbieri Elementary School

Currently used as an elementary school, the Barbieri Middle School was built in 1974 using a replicated floor plan that matched the Cameron Middle School and the Farley Middle School. All three facilities were constructed within the same three-year time period. Located at 100 Dudley Road, the building contains 112,000 square feet and is situated on 18.71 acres of land. The grounds contain a playground, baseball field and a soccer/football field. The parking lot has been expanded and currently houses 124 vehicleparking stalls.

The building was designed with multi levels, an open floor plan concept and few exterior windows. There are two elevators in operation, but they do not meet current ADA code dimensional requirements. The building housed a swimming pool that has been converted to general warehouse space. The cafeteria is small for a building of its size. At 4,370 square feet, multiple lunch periods are required for larger student populations and would be problematic if the building was filled near capacity. Barbieri currently has 31 full classrooms and has a design capacity of 748 students.

The main roof was replaced 1998 and has a twenty-year life expectancy. The heating system was converted from electric to natural gas fired boilers with a hydronic system and utilizes the electric perimeter heat as a supplemental heat source. The building is cooled via roof-top air handlers. A new emergency backup generator was installed in 2009. The building is in good general condition but requires a major bathroom renovation to comply with ADA requirements.

Barbieri Elementary School: 99.10 FTE, 672 Students FY20 Budget Request: \$6,579,195

| FY19 Expenses | $\$ 35,350$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 6,020,726$ |
| FY19 Total | $\$ 6,056,076$ |
|  | $\$ 39,200$ |
| FY20 Expenses | $\$ 0$ |
| FY20 Additional Salaries | $\$ 6,539,995$ |
| FY20 Salaries | $\mathbf{\$ 6 , 5 7 9 , 1 9 5}$ |
| FY20 Total |  |
|  | $\mathbf{\$ 5 2 3 , 1 1 9}$ |

## Brophy Elementary School

Currently named Brophy Elementary School, the Belknap Road School was constructed in 1968 using a replicated design plan from the Potter Road School, which was built two years earlier in 1966. Two modular classrooms housed in one mobile unit were added to the building via a connector corridor in 2004. Located at 575 Pleasant Street, the building contains 66,000 square feet plus over 2,000 square feet of modular space and is situated on 28.13 acres of land. The grounds contain a playground, two baseball fields, a lacrosse field and a soccer field. The parking lot houses 80 vehicle-parking stalls.

The building was designed with a two-story classroom wing, a single story administration, cafe and gymnasium wing and a central courtyard. There are two chair lifts within the building that provide handicap access to the stage and classroom wing level as required by ADA. Brophy has 26 general classrooms. The roof was replaced in 2002 and has a twenty-year life expectancy. The heating system was upgraded and new boilers and gas burners were installed in 2006. There are several window unit or split cooling systems in the administrative offices. A new emergency backup generator was installed in 2009. The building is in good general condition and has received replacement walkways and sidewalks in compliance with ADA mandate and funded by capital expenditure. The paving in the parking and driveway areas requires replacement in the near future.

Brophy Elementary School: 71.38 FTE, 464 Students

## Dunning Elementary School

Currently named Charlotte Dunning Elementary School, the Frost Street School was constructed in 1965 using a replicated design plan from the Hemenway School that was built four years earlier in 1961.

Located at 48 Frost Street, the building contains 61,500 square feet and is situated on 22.16 acres of land. The grounds contain two separate playgrounds, a baseball field and a lacrosse/soccer field with a walking track. The parking lot houses 69 vehicle-parking stalls.

The building was designed with a single-story and is rectangular in shape. There are three classroom wings, an administration and cafe wing and an enclosed courtyard. There is one chair lift at the stage for handicap access as required by ADA. Dunning has 24 general classrooms.

The roof was replaced in 1996 and has a twenty-year life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2001. There is no central cooling within the building. There are several window unit or split cooling systems in the administrative offices. A new emergency backup generator was installed in 2009. In addition, the district has submitted a proposal to replace the playground at the school as contained in the FY19 Capital Budget Plan approved by the School Committee.

The building is in good general condition and has received replacement walkways and sidewalks in compliance with ADA mandates funded by capital expenditure. The paving in the parking and driveway areas was upgraded and replaced.

Dunning Elementary School: 70.88 FTE, 457 Students FY20 Budget Request; \$4,956,134

| FY19 Expenses | $\$ 22,059$ |

## Hemenway Elementary School

Constructed in 1961, the Hemenway Elementary School is the elder sister school of the Charlotte Dunning School that utilized the same layout design when constructed in 1965. Other than location and age, the only main difference between the two buildings is Dunning does not have modular classrooms additions such as does Hemenway.

Located at 729 Water Street, the building contains 61,500 square feet plus over 5,000 square feet of modular space and is situated on 14.42 acres of land. The grounds contain a playground, a baseball field and a small soccer/lacrosse field. The parking lot houses 70 vehicle-parking stalls.

The building was designed as a single story with a rectangular shape. There are three classroom wings, an administration and cafe wing and an enclosed courtyard. There are two modular buildings with connectors at the rear of the building that house four classrooms. There are 2 chair lifts for handicap access as required by ADA. Hemenway has 28 general classrooms. The roof was replaced in 1996 and has a 20-year life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2005. There is no central cooling within the building. There are several window unit or split cooling systems in the administrative offices. A new emergency backup generator was installed in 2009.

The building has received replacement walkways and sidewalks in compliance with ADA mandates funded by capital expenditure. Paving in the parking lots and driveways is in poor condition and is need of replacement. In addition, the district has requested funding for a pre-feasibility study in anticipation of submitting a Statement of Interest to the Massachusetts School Building Authority.

Hemenway Elementary School: 77.97 FTE, 563 Students
FY20 Budget Request: \$5,288,313

| FY19 Expenses | $\$ 26,817$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |
| FY19 Salaries | $\$ 4,736,612$ |

| FY20 Total |  |
|  | $\$ 524,884$ |

## King Elementary School

Originally named the Brook Water School, the George P. King Elementary School was constructed in 1957. Located at 454 Water Street, the building contains 50,000 square feet and is situated on over 18 acres of land. The grounds contain a playground, baseball field and soccer/lacrosse field. The parking lot houses 110 vehicle-parking stalls.

The building was designed with two classroom wings connected by an enclosed walk bridge with a cafe and gymnasium on separate lower levels. There is one chair lift and one elevator within the building that provide handicap access to all levels as required by ADA. King has the capacity for 24 full classrooms.

The roof was replaced in 1998 and has a twenty year life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2001. The building is cooled via rooftop air handlers on the front main wing and the rear wing is equipped with portable air conditioner window units. The building is equipped with and emergency backup generator installed in 2011. The building is in good general condition and the parking lot is in excellent condition.

King Elementary School: 55.23 FTE, 323 Students
FY20 Budget Request: $\$ 3,670,890$

## McCarthy Elementary School

Originally constructed in 1952 the McCarthy Elementary School received major reconstruction and expansion in 1994. Located at 8 Flagg Drive, the building contains 94,936 square feet and is situated on 20.43 acres of land. The grounds contain two playgrounds and a baseball field. The parking lot houses 88 vehicle-parking stalls. There is one elevator that complies with current ADA access, building and fire code requirements. McCarthy has 29 full classrooms. One wing, or $50 \%$ of the roof was replaced in 1999 and the remaining $50 \%$ in 2007.

The District has submitted a Statement of Interest to the Massachusetts School Building Authority's Accelerated Repair Program for a roof repair project. The District expects to request Capital Funds in the near future for this project. Each wing has a twenty-year roof life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2003. Selective areas within the building have central cooling such as administration, cafe, library, computer and head-end room. The parking lot is in fair condition and repaving should be considered in the long range plans.

McCarthy Elementary School: $\mathbf{8 7 . 8 0}$ FTE, 528 Students
FY20 Budget Request: \$6,138,500

| FY19 Expenses | $\$ 28,7000$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |

| FY20 Total |  |
|  | $\$ 63,574$ |

## Potter Road Elementary School

Constructed in 1966 Potter Road School is the elder sister school of Brophy School that utilized the same layout design when constructed in 1968. Other than location and age, the only other main difference between the two buildings is Potter Road does not have added modular classrooms that Brophy School has.

Located at 492 Potter Road, the building contains 63,600 square feet of space and is located on 12.75 acres of land. The grounds contain a playground, baseball field, basketball courts and a multipurpose field. The parking lot houses 80 vehicle-parking stalls. The building was designed with a two-story classroom wing, a single story administration, cafe and gymnasium wing and a central courtyard. There are two chair lifts within the building that provide handicap access to the stage and classroom wing level as required by ADA. Potter Road has 24 general classrooms.

The roof was replaced in 1996 and has a twenty-year life expectancy. The heating system was upgraded from oil to natural gas when one new boiler and natural gas burner was installed in 1999 and the second boiler and burner were replaced in 2006. There is no central cooling within the building. There are several window unit or split cooling systems in the administrative offices. The building is equipped with an emergency backup generator. The building is in good general condition and has received reconstruction and replacement of a handicap ramp, curb cuts and new concrete walkways, in compliance with ADA mandates, as well as new parking and drainage, funded by capital expenditure.

Potter Road Elementary School: 62.13 FTE, 533 Students FY20 Budget Request: \$4,261,488

| FY19 Expenses | $\$ 27,400$ |
| :--- | ---: |
| FY19 Additional Salaries | $\$ 0$ |

| FY20 Total |  |
|  | $\$ 166,010$ |

## Stapleton Elementary School

The Stapleton Elementary School was originally constructed in 1922 and major additions were constructed in 1956 for added classrooms and then again in 1972 when the library and gymnasium wings were added to the existing school. Originally named the Saxonville School, it is listed as a historical building. Located at 25 Elm Street, the building contains 59,600 square feet of space and is situated on 3.4 acres efland. The grounds contain a small out building, (2 car garage) a playground and a small multi-use ball field. The parking lot currently houses roughly 102 parking stalls. The building is three stories and has a rectangular shape layout with a large interior vehicle accessible courtyard. The Building is equipped with an elevator and chair lift for stage access. Stapleton currently houses 23 full classrooms.

The roof was replaced in 2007 and has a twenty-year life expectancy. The heating system was converted from oil to natural gas and new boilers and gas burners were installed in 2002. It is equipped with an antiquated steam heating system, unit ventilators and roof mounted exhaust fans. The building is not equipped with central cooling. There are several window unit air conditioners in the administration offices. A new backup emergency generator was installed in 2011. The entire building has been upgraded with new window and door replacements throughout the exterior and for exterior brick mortar joint repainting has been completed. The entire parking lot, ball field, courtyard, and rear parking area have all been upgraded. The building is listed as a historical building and is in fair condition.

Stapleton Elementary School: 66.97 FTE, 336 Students
FY20 Budget Request: \$4,422,716

| FY19 Expenses | $\$ 25,650$ |
| :--- | ---: |

| FY19 vs FY20 Increase |  |

## Wilson Elementary School

Originally built in 1924 the original Woodrow Wilson School was demolished and replaced with a new school building on the same site in 1998. At the time of completion the Wilson School was considered to be "state of the art" in design, technology and furnishings and continues to be a jewel of the community today.

Located at 169 Leland Street, the building contains 100,695 square feet and is situated on 5.02 acres of land. The grounds contain two playgrounds and a small multi-purpose ball field. The parking lot houses 110 vehicle-parking stalls.

The building was designed with a two-story classroom wing and a two-story administration wing that houses the cafe, gymnasium and library. There is one elevator that complies with current ADA access, building and fire code requirements. Wilson has 31 full classrooms.

The heating plant is natural gas fired with air handlers that supply a VAV, or variable air volume system and supplemental hydronic perimeter heat. The cooling system is a centrifugal chiller equipped with an exterior water-cooling tower. Although the heating and cooling systems provide for efficient climate control, they are costly to operate, especially during the peak, or summer cooling season. The building is equipped with an emergency backup generator. All mechanical systems and general architectural furnishings are in good condition.

Woodrow Wilson Elementary School: $\mathbf{8 2 . 7 9}$ FTE, 539 Students FY20 Budget Request: $\mathbf{\$ 5 , 4 0 4 , 4 6 9}$

## Blocks Preschool

Constructed in 1959, the Juniper Hill School is currently used to house the BLOCKS Preschool Program. Located at 29 Upper Joclyn Avenue, the building contains 44,300 square feet of space and is situated on 17.94 acres of land. The grounds contain two new playgrounds and a small multipurpose ball field. The parking lot houses 80 vehicle-parking stalls.

The building was designed as a single story with three classroom wings and an Administration, cafe and gymnasium wing. Juniper Hill has 21 general classrooms. A modular library addition was built in 2000 when 2,800 square feet of interior open space was added to the school building. The roof was replaced in 2001 and has a twenty-year life expectancy. The heating system was converted from oil to natural gas when one new boiler and natural gas burner was replaced in 2000 and the second boiler and burner were replaced in 2001. All classrooms and offices are equipped with window cooling units and the library is cooled via two roof top mounted units. A new emergency backup generator was installed in 2008. The building and parking lot are in good condition

## Funding Sources - City of Framingham: Framingham Public Schools

## Local Contribution

A target local contribution establishes an ideal goal for how much each city and town should contribute toward its foundation budget, based on the municipality's wealth. Two measures of municipal wealth are used: aggregate property values and aggregate personal income, with each given equal weight. The target is recalculated each year based upon the most recent income and property valuations. The target calculations assume that local contributions in total should cover 59 percent of the statewide foundation budget (target local share), with state aid covering the remaining 41 percent (target aid share). The target local share and target aid share for any individual city or town will vary in proportion to the municipality's wealth. The target calculation also includes a maximum local share of 82.5 percent, thus ensuring that all communities will get some minimum amount of state funding.

The required local contribution for each municipality is based on the previous year's required contribution, and includes some transition factors so that the shift toward the target levels occurs over a period of several years.

- Municipalities whose local contribution requirements are now higher than their targets will see a reduction in the requirement of 85 percent of the amount above the target.
- Municipalities whose local contribution requirements are now lower than their targets will continue to see their requirements increased by the municipal revenue growth factor. If they are more than 2.5 percent below their target, an increment of either 1 or 2 percent will be added to their growth factor.

## State Aid - Chapter 70

The Chapter 70 program is the major program of state aid to public elementary and secondary schools. In addition to providing state aid to support school operations, it also establishes minimum spending requirements for each school district and minimum requirements for each municipality's share of school costs. Preliminary FY20 Chapter 70 State Aid per the Governor's House 1 budget proposal provides the City with a proposed $\$ 50,064,950$, a $\$ 2,428,739$ increase to the FY19 Chapter 70 Aid.

*Projected 2020 Chapter 70 State Aid

## Grants - Federal and State

## 2140 US-Title II Teacher Quality

Provides supplemental resources to school districts to improve high quality systems of support for excellent teaching and leading
FY20 Projected Expenses \$128,142, Projected Salaries \$105,756 (1.20 FTE), Projected Additional Salaries \$70,000

## 2180 US-Title III LEP Support

Provides supplemental resources to local school districts to help ensure that English learners (ELs) and immigrant children and youth attain English proficiency and develop high levels of academic achievement in English, assist teachers and administrators to enhance their capacity to provide effective instructional programs designed to prepare ELs and immigrant children and youth to enter all-English instructional settings, and promote parental, family, and community participation in language instruction programs for parents, families, and communities.
FY20 Projected Expenses \$152,677, Projected Salaries \$98,966 (3.0 FTE), Projected Additional Salaries \$35,000

## 2240 US-SPED 94-142 Continuum

Provides funds to ensure that eligible students with disabilities receive a free and appropriate public education that includes special education and related services designed to meet their individual needs. FY20 Projected Expenses \$2,223,738, Projected Salaries \$0, Projected Additional Salaries \$100,500

## 2262 US-SPED Early Childhood

Provides funds to ensure that eligible 3, 4, and 5 year-old children with disabilities receive a free and appropriate public education that includes special education and related services designed to meet their individual needs in the least restrictive environment (LRE).
FY20 Projected Expenses \$9,584, Projected Salaries \$44,545 (0.50 FTE), Projected Additional Salaries \$0

## 2305 US-Title I Extra Chance

Provides supplemental resources to local school districts to help provide all children significant opportunity to receive a fair, equitable, and high-quality education and to close educational achievement gaps.
FY20 Projected Expenses $\$ 524,160$, Projected Salaries $\$ 958,221$ (17.14 FTE), Projected Additional Salaries \$312,975

## 2309 US-Title IV, Part A

Provides supplemental resources to local school districts to build capacity to help ensure that all students have equitable access to high quality educational experiences. Flexed with Title IIA FY20 Projected Expenses \$117,335, Projected Salaries \$0, Projected Additional Salaries \$0

## 2310 US-McKinney-After School Homeless

Provides funding for programs that ensure homeless students enroll in school, attend school, and have the opportunity to succeed in school
FY20 Projected Expenses \$15,657, Projected Salaries \$29,343 (0.40 FTE), Projected Additional Salaries \$0

## 2340 Comm Adult Education Learning Center

Administer the Integrated English Literacy and Civics Education (IELCE) and Integrated Education and Training (IET) grant to Community Adult Learning Centers (CALCs, fund codes 340/345/359) consistent with Public Law 113-128, Sections 201 through 243, across six local workforce development areas for CALCs
FY20 Projected Expenses \$26,600, Projected Salaries \$18,867 (0.16 FTE), Projected Additional Salaries \$101,413

## 2645 21st Century Community Learning Centers (SCH)

To continue to support the implementation of academically enriching programming implemented during out-of-school time (OST) and/or through an extended school day/year/time (ELT) that helps to close proficiency and opportunity gaps, increases student engagement, and supports college and career readiness and success. This takes place in sites awarded a competitive new site grant through Fund Code (FC) 647 in Fiscal Year 2016-2017 (FY17) or FY18, and/or sites awarded a competitive Exemplary Programs Grant through FC 646 in FY17 or FY18.
FY20 Projected Expenses \$49,213, Projected Salaries \$38,400 (0.66 FTE), Projected Additional Salaries \$62,384

## 4237 Coord Family/Comm Engagement

Provide families with access to locally-available comprehensive services and supports that strengthen families, promote optimal child development and bolster school readiness.
FY20 Projected Expenses \$24,646, Projected Salaries \$64,413 (1.0 FTE), Projected Additional Salaries \$50,591

## 4345 MA-Adult Ed Learning Center

To provide one year of transitional funding to those CALCs and AECI programs currently receiving DESE funding for instructional services in FY 18 but not awarded funding as a result of the FY 19-FY 22 Open and Competitive RFP. In addition, these eligible programs must also be in fiscal and data compliance with DESE. With these funds, AE services must be used to continue to provide eligible individuals and those most in need with education services.
FY20 Projected Expenses \$115,632, Projected Salaries \$163,489 (2.60 FTE), Projected Additional Salaries \$487,469

## 4391 MA-Community Partnership

Funds direct services that support preschool learning environments for preschool-aged children with and without disabilities in high quality, inclusive early education and care settings.
FY20 Projected Expenses \$8,425, Projected Salaries \$21,575 (0.29 FTE), Projected Additional Salaries \$0

## Revolving Accounts

Framingham Public Schools collects revenue in connection with certain programs that are supported in full or in part by tuition and/or fees and accounted for in revolving accounts authorized by M.G.L Chapter 71. School revolving account revenue directly supports activities associated with the programmatic purpose of each account.

## Facilities Revolving Account

The Facilities Revolving Account will offset the "Rehab Special Projects" operating budget line by $\$ 150,000$. Funds in this account are from fees collected by permit holders that utilize school buildings for events, games, practices, etc.

## Transportation Revolving Account

The Transportation Revolving Account will offset the "Transportation Regular Day" operating budget line by $\$ 300,000$. The revolving account is where bus fees are deposited. A student riding a Framingham Bus per Massachusetts General Law 71, Chapter 68, must pay the $\$ 250.00$ fee set by the School Committee if the student is in Kindergarten thru Grade 6 and lives under two miles from the student's assigned school. The fee also applies to ALL students in grade 7 thru grade 12 no matter the distance from the student's assigned school.

## Athletic Revolving Account

The Athletic Revolving Account will offset "Athletic Transportation" operating budget line by $\$ 100,000$. Funds in this account are from gate receipts for athletic events.

## BLOCKS (Pre-School) Revolving Account

The BLOCKS Revolving Account will offset the BLOCKS Pre-School salary operating budget line by $\$ 400,000$. Funds in this account are from gate receipts for athletic events.

## Circuit Breaker

The state special education reimbursement program, commonly known as the circuit breaker program, was started in FY 04 to provide additional state funding to districts for high-cost special education students. In FY08 approximately $\$ 200$ million was paid to districts under this program.

The threshold for eligibility is tied to four times the state average foundation budget per pupil as calculated under the chapter 70 program, with the state paying for instance, 75 percent of the costs above that threshold. In FY08, the state average foundation budget per pupil was $\$ 8,852$, so if a special education student cost a district $\$ 50,000$, the district's eligible reimbursement for that student would be (\$50,000-(4*\$8852))*. $75=\$ 10,944$.

For children placed in a school district outside their home town by the Department of Transitional Assistance or the Department of Children and Families, and for children who have no parents or guardians in the commonwealth, the reimbursement is 100 percent above the threshold rather than 75 percent. (The Department of Children and Families is the new name for the Department of Social Services.)

Circuit breaker reimbursements are for the district's prior year's expenses. Each summer, districts submit claim forms to DESE listing the types and amounts of special education instructional services provided to each student during the previous fiscal year. Administrative and overhead costs are not reimbursable. Standard rates for each type of service are established annually by DESE based on statewide surveys and
are used to calculate the reimbursable cost for each student; this simplifies the claim process and minimizes the documentation which needs to be submitted. For students attending private 766 schools, the eligible cost for reimbursement is based on the approved tuition rate set by the state's Operational Services Division.

The proposed dollar amount to be used to offset the FY20 Operating budget is $\$ 5,042,481$ which is an estimated 70\% reimbursement of estimated FY19 eligible instructional services provided to each student. An additional $\$ 1,750,000$ to be used from the Circuit Breaker reserve is included in the FY20 proposal for a total use of $\$ 6,792,481$.

Framingham's Historical Circuit Breaker Data 2009-2017

## Earmark Requests

February 14, 2019
Senator Karen E. Spilka
State House
24 Beacon Street
Room 332
Boston, Massachusetts 02133

RE: FRAMINGHAM PUBLIC SCHOOLS - SOCIAL EMOTIONAL BEHAVIORAL HEALTH EARMARK REQUEST FY20-\$300,000

Dear Senator Spilka:

On behalf of the Framingham Public Schools and on behalf of so many districts in the Commonwealth whom you continue to support as we work together to improve the social, emotional, and behavioral health of our students, please know that we sincerely appreciate your commitment, as Senate President,
to improving education and recognizing that indeed the social, emotional, and behavioral health of our students is critical to fostering resilient, empathetic, and workforce-ready graduates.

I was pleased to attend the Social Emotional Learning Forum that you hosted on January 8, 2019 along with many members of the Framingham School Committee (including Beverly Hugo among the panelists) and my superintendent colleagues from the region. I am also pleased to present you with our proposed 5year investment plan for the Framingham Public Schools that directly targets the social, emotional, and behavioral health needs of students in the Framingham Public Schools.

Should earmark funds be available to support this work beginning in the 2019-2020 school year, I would ask that consideration be given to fully funding Year 1 (Y1) of the proposal as presented here. Thank you very much for your consideration of this request.

FPS 10-Year Enrollment - Department of Education Data

Enrollment by Race/Ethnicity (2018-19) District Enrollment 8,822. State Enrollment 951,631

## Projected Enrollment

*McKibben projections above do not include preschool students

## Per Pupil Expenditures

The Massachusetts Department of Elementary and Secondary Education (DESE) employs a comprehensive methodology of calculating per pupil expenditures that is designed to allow comparative analysis among districts. By using reporting methods that are consistent across all public school districts statewide, the DESE's data allows Framingham to compare its per pupil spending to surrounding communities. Per pupil expenditures are calculated by dividing a district's operating costs by its average pupil membership (FTEs), including in-district expenditures per pupil and total expenditures per pupil, which includes in-district and out-of-district spending and enrollment. These calculations show all school operating expenditures including those outside the general fund such as grants, private donations, and revolving accounts. Expenditures are shown in categories reported by the school district within the annual DESE End-of-Year Financial Report. The data submitted by districts to the State is subject to an annual independent audit, assuring that each school district accurately portrays revenues and expenditures and consistently reports expenses in appropriate functional categories. All expenditure groups include the following:

- school committee appropriations
- municipal appropriations outside the school committee budget that affect schools
- federal grants
- state grants
- circuit breaker funds
- private grants and gifts
- school choice and other tuition revolving funds
- athletic funds
- school lunch funds
- other local receipts such as rentals and insurance receipts
