Re: Member Alert – Proposed Resolutions for Consideration

The MASC Board of Directors has recommended that the attached resolutions be forwarded to our Resolutions Committee for consideration of the entire MASC membership. The resolutions address a) funding for the expenses related to COVID-19 including supplies and equipment needed to help schools reopen safely that originated with some of our CT Valley school committees and b) the response to issues of racism, equity, and diversity that have moved to center stage as the result of the events across the country during the past few weeks as

developed by MASC Vice President and former Minority Caucus Chair, Denise Hurst.

Because of the urgency and timeliness of both issues, the we are encouraging districts to consider them locally and respond by forwarding them to the governor, your legislators, the Executive Office of Education, the Speaker of the MA House of Representatives, and the Senate President and that you do so immediately during this fiscal and public health crisis and the call for social and economic equity.

We hope to be providing soon more information on the 2020 MASC Delegate Assembly which will consider these and a range of other important public policy issues. In the meantime, we offer them to your school committees for consideration at this time.
