Policy	Background/Overview of Changes
Remote Participation Policy Referred to the Policy Subcommittee (PSC) 12/18/19	Policy BEA was edited to reflect pre-COVID rules in the Mayor's city-wide policy, as well as propose new COVID related language for the School Committee. PSC tabled action on this policy 4-0.
School Reopening Goals and Principles Referred to the PSC 7/1/20	PSC voted 4-0 to recommend that the School Committee refer the document to the Superintendent for incorporation into the District's return to school plan. It was noted during the conversation that this is not a typical policy. Also it was noted that some of these topics are part of day to day operations and in the purview of the Superintendent, and were recommendations for FPS to consider integrating.
Climate Change (New Proposed Referral)	As mentioned at the last School Committee meeting, a member would like to develop a policy on climate change and requested the topic be added to this agenda for referral.
Warrant Process (New Proposed Referral) <ul style="list-style-type: none">• Cross Reference: DGA: Authorized Signatures	As mentioned at the last School Committee meeting, a member would like to develop a policy on the warrant process, and requested the topic be added to this agenda for referral.

Remote Learning Policies from MASC (New Proposed Referral)

- [IHBHE: Remote Learning](#)
- [IHBHE-E: Remote Learning Addendum](#)

The MA Association of School Committees has model language for consideration. A member requested that this topic be added to the agenda for referral.
