

Personal Choices

Framingham Public Schools

Objectives

- I can explain what a personal choice is.
- I can discuss and show how to respect others personal choices around wearing masks.

Warm UP

Turn, Talk, Tell

What is an example of a personal choice that you make?

Does everyone around you make the same choice? Why or Why not?

A choice that I make for myself is_____.

Everyone around me does/ doesn't make the same choice because_____.

Families and students in Framingham will have a new personal choice to make starting March 7th

- Masks will **no longer be required** in most spaces in school
- Masks will still **be required** in the **nurse's office**

Families will help students make the choice to wear a mask or not wear a mask.

Your parents and caregivers will help you make a choice that is right for YOU!

If you are not sure...ask them!

Masks are personal choices

Everyone gets to make their own decision about masks without judgement from anyone else.

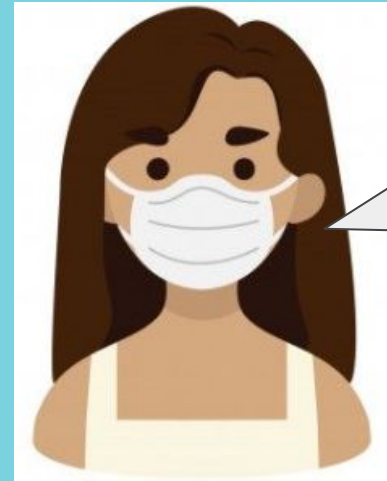

What does the word JUDGEMENT mean?

Why should everyone get to make their own choice without JUDGEMENT?

Others Choices About Masks are not Your Business

If someone asks you about your mask choice you can say....

I choose to wear my mask still. This is what I am most comfortable with.

I choose to take my mask off. I am comfortable without it on.

Important Reminders

Students should still keep social distancing space when they can

Keep washing and sanitizing hands

Tell an adult if you feel ill

Framingham schools will monitor covid-19 data to determine if masks will need to be required again

People I can talk to!

Think...

Who are the trusted adults you can talk to if you want to talk about mask wearing?

Who are the trusted adults you can talk to if you someone is saying judgemental things about mask wearing to you or someone around you?

Who are your trusted adults you can talk to about ANY help you need?

Trace your hand on a piece of paper and on each finger identify an adult you can talk to if you need help.
