

## **IE - ORGANIZATION OF INSTRUCTION**

The District offers a diversified educational program compatible with the needs of the community and state standards.

The organizational plan is designed to facilitate the philosophy of educating every student, each to his/her fullest potential.

The structure will consist of multiple levels (for example, Primary/Elementary, Middle and Secondary levels).

It is the policy of the Framingham School Committee that the grade organization of the public schools shall be:

Pre-Kindergarten	Early Elementary Center
Kindergarten through Grade 5	Elementary School
Grade 6 through Grade 8	Middle School
Grade 9 through Grade 12	High School

Special education and ELL services are integrated across each grade level in all schools as much as possible.

The organization is designed to meet the standards established within the Curriculum Frameworks as required by the State Department of Elementary and Secondary Education and to serve the needs of all students.
