

Aspen X2 login instructions to view your student's report card

2. The Login ID is a student's six-digit student ID (LASID) and their preset password.

If this is the first time you are logging in, your default password is the student's birthday in the format YYYYMMDD (example 20120618). If you have logged into the Aspen X2 portal in the past, then use your existing password.
