

Explorers Membership

An annual \$50 membership fee is required to secure your child a place in the program. This fee gives you access to our full program, including a variety of perks and discounts on Programming Days, Vacation Weeks, and Summer programming.

"My son loves Explorers... no matter how late I come, he's usually upset that I've come too early."

Discounts

A sibling discount of 10% is given to each child past the first enrolled. This does not apply to promotional rates (early bird, flash sales, etc.).

Framingham Public School Employees also receive 10% off on one child. This does not stack with the sibling discount.

Financial Aid

Financial Aid may be available to income eligible families through our scholarship program. Scholarships are limited and are available on a first come, first serve basis. Please contact the Department of Community Resource Development for more information.
